Robert E. Howard Willard M. Oliver, 2025-04-15 Robert E Howard 1906-1936 is most widely known today as the creator of Conan the Cimmerian more popularly referred to as Conan the Barbarian However he also wrote across a wide array of genres for the pulp magazines of the 1920s and 1930s including westerns sports stories boxing adventures supernatural horror and even humor Howard also created many other popular characters such as King Kull Bran Mak Morn Solomon Kane Steve Costigan and Breckenridge Elkins More importantly he created two specific subgenres of fiction sword and sorcery sometimes referred to as heroic fantasy and weird westerns Born and raised in Texas Robert E Howard began his writing career after his family settled in the small Central Texas town of Cross Plains His first professional sale came from the pulp magazine *Weird Tales* in 1925 and over the next eleven years he wrote hundreds of stories and an equal number of poems With this prolific body of stories he was among the most lauded pulp authors of that era It has been said and rightly so that the secret to his success was that there was a bit of Howard in every one of his characters and because Howard was a Texan even Conan shows elements of the Texan in his persona Robert E Howard *The Life and Times of a Texas Author* details the many trials and tribulations he faced as he became and remained a full time writer while dealing with an aging father and caring for a mother who was dying of tuberculosis The book both chronicles his personal life and demonstrates how the one driving force in Robert E Howard's life forming the foundation for all of his characters and stories was his personal pursuit of

freedom He lived for his freedom he wrote as a means to attain that freedom and while it may sound strange he also died tragically by his own hand in that very same pursuit at the young age of 30 *The Builder* ,1880 *Punch* Mark

Deer Island In Autumn Robert Blackwell, 2016-07-28 Deer Island is a real place Though fictionalized the characters portray life in the lower Atchafalaya Basin specific to Terrebonne Parish Louisiana and its tributaries from 1840 1921 The Addison family legacy is expressed in the meticulously kept diaries of three generations of the family s matriarchs Each of the two volumes can stand on its own merits but the story invites the reader to experience both Deer Island is a place where the fabric of life is tightly woven mutual interests are cultivated Each shared expression of some heartfelt emotion each account of some uncommon event each expounded detail of some ideal or conviction each celebration of life and living communicated unashamedly and in a forthright manner produces a colored fiber The hues of these threads may be brilliant and appealing or they may be dim and dismal but each is applied to the pattern of the weave for all to witness **Grimm's fairy tales for**

Lofaro, 2023-08-18 The legendary Davy Crockett arose simultaneously with the emergence of the historical Crockett as a public figure and once established the man and the myth were forevermore entangled The present work his *Life and Adventures* 1833 ushered in a series of biographical and autobiographical books that thrust Crockett fully onto the national and international scene This work quickly retitled *Sketches and Eccentricities* was the most outlandish Its purported author J S French mixed two nineteenth century genres of storytelling the Humor of the Old Southwest and the sketch all presented within a historical framework to create an early version of the King of the Wild Frontier The Crockett encountered here is the marksman who can shoot an elk from 140 yards with his beloved rifle Betsy grin the bark off a tree knot and choose bows and arrows as weapons when challenged to a duel by a fellow congressman Within a year Crockett disavowed this book preferring his autobiography *Narrative of the Life of David Crockett of the State of Tennessee* but this rollicking story often bouncing along from tall tale hunting anecdote faux moral tale to humorous pratfall became a major source for the later biographical writings and a later cultural industry that swept up newspapers books political propaganda plays and films and almost every way in which a frontier figure could appear in popular culture And while Crockett s image was a source of entertainment and humor it also pointed toward something far more serious after his death at the Alamo it

presented Americans with a fictional Frontier hero who progressively embodied their views on topics as varied as manliness, manifest destiny, and even white supremacy. However, the Crockett of Sketches is canny, adaptable, intelligent, but not educated, hilarious, and above all, a perfect reflection of the aspirations, interests, and beliefs of Jacksonian era Americans.
