Accounting E. J. McLaney, Edward J. McLaney, Peter Atrill, 2007 The book provides a comprehensive introduction to the main principles of financial accounting management accounting and the core elements of financial management With a focus on how accounting information can be used to improve the quality of decision making by managers *Management Accounting for Decision Makers* Peter Atrill, 2009 This introductory text covers the basic principles and underlying concepts with a strong practical emphasis and plenty of examples taken from the real world as well as numerical examples with step by step explanations **Accounting** Edward J. McLaney, Eddie McLaney, 2009-09 Designed to help you study Accounting An Introduction 4th edition is praised for its clear accessible and uncluttered style It provides a comprehensive introduction to the main principles of financial accounting management accounting and the core elements of financial management It has a clear and unequivocal focus on how accounting information can be used to improve the quality of decision making by managers This combined with the book s strong practical emphasis provides you with the perfect grounding for your future career as a manager **Accounting and Finance for Non-specialists** Peter Atrill, E. J. McLaney, 2008 Now in its sixth edition this successful text introduces the basic principles and underlying concepts of accounting and finance It adopts a practical non technical approach making it the ideal text for students from non accounting disciplines The text is written from a user perspective demonstrating ways in which accounting statements and financial information can be used to improve the quality of decision making **Principles of Accounting** Meg Pollard, Sherry K. Mills, Walter T. Harrison, 2007 The Demo Docs System of instruction replicates the classroom experience by providing more I get it moments outside of class We ve talked to tons of POA instructors and our editors have even taken the accounting course numerous times to figure out the following issue in this course that is consistent Students understand or get it right after you do a problem in class but as soon as they leave class with each passing hour their ability to do the problems again and complete their homework diminishes to the point of them either having to come to office hours to get help or they just quit and get behind in the course On top of this you can end up getting behind in the course as well in order to keep everyone on track The Demo Docs system helps to recreate the I get it moments outside of class keeping both you and the students on track **Study Guide to Managerial Ch 12-25** Brubeck, Charles T. and Managerial Accounting Horngren's Financial and Managerial Accounting presents the core content of the accounting course in a fresh format designed to help today's learners succeed. The Eleventh Edition expands on the proven success of the significant revision to the Horngren franchise and uses what the authors have learned from focus groups, market feedback, and colleagues to create livelier classrooms, provide meaningful learning tools, and give professors resources to help students inside and outside the class. First, the authors ensured that content was clear, consistent, and above all, accurate. Every chapter is reviewed to ensure that students understand what they are reading and that there is consistency from chapter to chapter. The author team worked every single accounting problem and employed a team of accounting professors from across the nation to review for accuracy. This edition continues the focus on student success and provides resources for professors to create an active and engaging classroom. Through MyAccountingLab, students have the opportunity to watch author-recorded solution videos, practice the accounting cycle using an interactive tutorial, and watch in-depth author-driven animated lectures that cover every learning objective. In addition, all instructor resources have been updated to accompany this edition of the book, including the PowerPoint presentations and Test Bank. Personalize learning with MyAccountingLab. MyAccountingLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.
