Analytical Study on Outstanding Myanmar Women Librarians from 1948 to Date Soe Soe Lin (Ma.),2008

Ethnic Politics in Burma Ashley South,2008-06-30 This book examines the ideas which have structured half a century of civil war in Burma and the roles which political elites and foreign networks from colonial missionaries to aid worker activists have played in mediating understandings of ethnic conflict in the country The book includes a brief overview of precolonial and colonial Burma and the emergence ethnic identity as a politically salient characteristic It describes the struggle for independence and the parliamentary era 1948 62 and the quarter century of military socialist rule that followed 1962 88 The book analyses the causes dynamics and impacts of on going armed conflict in Burma since the 1988 democracy uprising through to the 2007 saffron revolution when monks and ordinary people took to the streets in protest against the military regime There is a special focus on the plight of displaced people and the ways in which local and international agencies have responded The book also examines one of the most significant but least well understood political developments in Burma over the last twenty years the series of ceasefires agreed since 1989 between the military government and most armed ethnic groups The positive and negative impacts of the ceasefires are analysed including a study of civil society among ethnic nationality communities This analysis leads to a discussion of the nature of social and political change in Burma and a re examination of some commonly held assumptions regarding the country including issues of ethnicity and federalism The book concludes with a brief Epilogue taking account of Cyclone Nargis which struck Burma on 2 and 3 May 2008 resulting in a massive humanitarian crisis

To Myanmar with Love Morgan Edwardson,2009 Beyond politics little is known about Myanmar Burma Highlighting the country s great beauty and hospitality these essays are reflections on such topics as helping a community library in New Bagan and eating breakfast with 2 700 monks in Mandalay Adventurers and armchair voyagers will discover the secrets of savvy expatriates seasoned travelers and inspired locals

You've Changed Pyae Moe Thet War,2023-08-08 In this electric debut essay collection a Myanmar millennial playfully challenges us to examine the knots and complications of immigration status eating habits Western feminism in an Asian home and more guiding us toward an expansive idea of what it means to be a Myanmar woman today What does it mean to be a Myanmar person a baker swimmer writer and woman on your own terms rather than those of the colonizer These irreverent yet vulnerable essays ask that question by tracing the journey of a woman who spent her young adulthood in the US and UK before returning to her hometown of Yangon where she still lives In *You've Changed* Pyae takes on romantic relationships whose futures are determined by different passports switching accents in American taxis the patriarchal Myanmar concept of hpone which governs how laundry is done swimming as refuge from mental illness pleasure and shame around eating rice and baking in a kitchen far from white America s imagination Throughout she wrestles with the question of who she is a Myanmar woman in the West a Western educated person in Yangon a writer who refuses to be labeled a race writer With intimate and funny

prose Pyae shows how the truth of identity may be found not in stability but in its gloriously unsettled nature
