STALKED! By Voices Eliza D. Ankum,2017-10-24 STALKED By Voices is my soul searing autobiography of how I was am still am being stalked and mentally harassed for decades In 1976 the word stalker as we know it today did not exist It didn t become common place in our language until after the horrific murder of TV star Rebecca Schaeffer Schaffer was the star of the 1988 sitcom My Sister Sam And in 1989 she was shot dead on her own doorstep by Robert John Bardo According to media reports at the time of her murder Bardo whom Schaffer did not know had been stalking her for some time Before Rebecca s murder there was no such thing as being STALKED So try to imagine that you re a young twenty three year old Black woman of no reputation trying to convince your local Police that you re being stalked 24 7 365 Everywhere you go Every second of the day Needless to say my repeated attempts at getting help fell on deaf ears and ended with my being sent for out patient psychiatric counseling and dosed daily with antipsychotics drugs After the so called therapy ended with my forced confession that I had made the whole thing up I was left to fend for herself against a family of psychic predatory sexual stalkers For example this excerpt from the book Chapter 31 THEY SKINNED ME ALIVE How can I describe to you what it s like having your every thought put on public display for the amusement of others The closest I can come to it is to say it s kind of like having your skin peeled off your body in long painful strips that leaves you feeling totally exposed Stalked By Voices takes the reader from rural 1965 Latham Alabama to present day Maywood Illinois and details a decades long true crime story of stalking sexual harassment and physical abuse Oprah Winfrey Belinda Friedrich,2001 A biography of the popular talk show host who rose from a childhood of poverty to become one of the most visible women in the nation

*Reach* Becky Robinson, 2022-04-19 Cut through the noise and create the biggest possible audience for your work This book offers a proven method for expanding your reach online so you can make a meaningful difference for others Anyone who makes the bold decision to put their ideas out into the world wants to reach as many people as possible Unfortunately too many think it's a question of numbers the more people you can get in front of the better But true reach is about expanding your audience while making a meaningful and enduring difference that has a lasting impact *Reach* provides a clear and structured approach to creating a successful online presence that will create the biggest possible impact for any message Becky Robinson shares a framework to cultivate followers that requires four commitments value consistency endurance and generosity When you make these four commitments you'll deliver memorable content on a regular basis while keeping the long term view in mind and being committed to helping and sharing with others Robinson offers guidance on having realistic expectations and meaningful goals encouraging readers to reflect on what they want to accomplish and with whom they want to connect Readers will also learn how to overcome discouragements create and repurpose content and focus on the everyday activities that will spread ideas This is a long term process one that doesn't normally offer immediate results or guarantee the desired outcome But as Robinson reminds us creating from a place of generosity can lead to benefits greater than you can imagine

*The Oprah Affect* Cecilia Konchar Farr, Jaime Harker, 2008-10-16 The *Oprah Affect* explores the cultural impact of Oprah's Book Club particularly in light of debates about the definition and purpose of literature in American culture For the critics collected here Oprah's Book Club stands in the context of American literary history not as an egregious undermining of who we are and what we represent as some have maintained but as the latest manifestation of a tradition that encourages symbiotic relationships between readers and texts Powered by women writers and readers novels in this tradition attract crowds sell well and make unabashed appeals to emotion The essays consider the interlocking issues of affect affinity accessibility and activism in the context of this tradition Juxtaposing book history reading practices literary analysis feminist criticism and communication religious political and cultural studies the contributors map a range of possibilities for further research on Oprah's Book Club A complete chronological list of Book Club picks is included
