Blacker, 2021-12-30 First published in 1981 Divination and Oracles analyses the religious practices of the ancient world as
they have been witnessed from Scandinavia to Tibet and Japan from the third millennium BC until the present day Divination
and the consultation of oracles formed part of the religious practice of the ancient world and are part of the living folklore of
the contemporary societies They are subjects that are of immediate concern to anthropologists and not infrequently to the

historians of early science Written by the specialists in the early history of European and Asian Civilisations the chapters call on the evidence of the written word of history and the surviving artefacts and inscriptions of archaeology They describe the different methods that have been adopted and examine the types of question that feature in man's attempt to seek guidance from other powers The contributions show how an appeal to the irrational can affect the decision of prophet or statesman or the way of life of farmer or sailor and how such an appeal can also stimulate scientific enquiry into the cycles of nature This book is a must read for scholars and researchers of religion comparative religion and ancient history **Art and Oracle** Alisa LaGamma, Metropolitan Museum of Art (New York, N.Y.), 2000 Twenty eight African cultures are represented here by artifacts created to communicate with ancestors spirits and gods about such issues as health conception and determination of guilt or innocence Issued in conjunction with an April July 2000 exhibit at The Metropolitan Museum of Art NY this catalog contains extensive ethnographic descriptive and interpretive text in connection with each of 50 pictured pieces as well as a 13 page essay about divination in Sub Saharan Africa by John Pemberton III and an introductory essay by LaGamma Annotation copyrighted by Book News Inc Portland OR *Elemental Divination* Stephen Ball, 2025-08-05 Discover a simple practice that yields life changing results With just three dice you can receive answers to basic questions or initiate a deeper interpretive journey Based on elemental forces that have been consulted by healers and sages for thousands of years this dice oracle will inspire you to see yourself and the world with a whole new perspective This book shares instructions and rituals for using the oracle with dice or other divinatory tools You will also find a list of meanings for every possible elemental combination and explanations of how Earth Air Fire Water Sun and Moon manifest in this divination system When you explore the oracle's patterns and correspondences you gain insight into the challenges and concerns that we all face Integrate the power of the elements as you make your way through the magic and mystery of life with *Elemental Divination* as your guide **The Modern Oracle** Lisa Boswell, 2023-05-04 Discover your fortune change your destiny Use your star sign to reach your fitness goals kickstart your career with crystal energy sort out of your love life with tarot or embark on some deep self reflection with palmistry With expert guidance from a Romany Gypsy psychic and diviner *The Modern Oracle* will teach you the key methods of fortune telling and divination helping you answer life's big questions and solve everyday dramas Find out what your future holds Psychic mediums are the new wellness coaches NY Times **The Oracle of the Tarot** Paul Foster Case, 1933 **Listening to the Oracle** Dianne Skaft, 1997 Tracing oracular communications from their ancient beginnings to modern times Skaft a Jungian psychotherapist and professor of psychology illustrates the powerful influence these revelatory experiences have had on numerous civilizations and cultures throughout history With the exception of indigenous cultures that still practice oracular ways of knowing she explains most people today have removed themselves from the interactive world of oracles because they no longer remember how to receive or trust them Drawing on her extensive research as well as her own direct experiences Skaft explores the many ways we can regain the ability to

communicate with oracles beginning by adopting an attitude of warm expectation in everyday life Ranging from oracles of the earth birds bees and oaks to Nepalese shaman divinations card readings and a fascinating experiment with a computer and word divination Listening to the Oracle blends ancient legends with psychological insight reflection advice and specific instructions on preparing for and receiving an oracle It is an inspired and highly instructive work that will awaken you to the world s rich spiritual terrain and teach you how to tap into your own hidden powers of perception BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Ask The Universe** Seren Greenway,2021-02-27 This book can be used as a stand alone oracle reading or during a tarot reading to gain deeper insight It can also be used as a bit of fun the universe will gage your energy and enjoys play from time to time Containing messages of wisdom and occasional humour this book has been written purposefully Each text has been carefully selected and the pages they have been placed upon considered thoughtfully Crystal Wisdom Oracle Judy Hall,2013-11 Crystals have been used for divination since ancient times Their powerful intrinsic energies can serve as mirrors to reveal your true path and link you to that part of yourself that is allseeing and all knowing Created by bestselling crystals expert Judy Hall The Crystal Wisdom Oracle will connect you to your higher intuitive self and in the process give you amazing insights into your past present and future The kit consists of a fully illustrated book containing 40 crystal profiles and advice on using the Oracle a deck of 40 crystal divination cards and a crystal which is kept atop the cards to keep their energy clear Shuffle the pack and draw a card for an immediate insight Or for more in depth readings spread the shuffled cards according to one of the four crystal lattice designs the author describes each one suitable for a different type of enquiry Square answering what if questions Hexagonal how to move forward Orthorhombic hidden obstacles and skills Triclinic making decisions Four card suits reflect the vibrational frequencies of crystals Earthy Healing Cosmic and Integration and allow you to conduct divinations at various levels from the material to the spiritual Superb specially commissioned photography captures the essence of each of the 40 crystals shown on the cards Perfect for anyone drawn to the beauty and healing energy of crystals this Oracle shows you how to call upon them even in card form for life guidance and self knowledge Consult the Oracle, Or, How to Read the Future Gabriel Nostradamus,1899* *Prophets and Profits* Richard Evans,2017-09-07 This volume examines the ways in which divination often through oracular utterances and other mechanisms linked mortals with the gods and places the practice within the ancient sociopolitical and religious environment Whether humans sought knowledge by applying to an oracle through which the god was believed to speak or used soothsayers who interpreted specific signs such as the flight of birds there was a fundamental desire to know the will of the gods In many cases pragmatic concerns personal economic or political can be deduced from the context of the application Divination and communication with the gods in a post pagan world has also produced fascinating receptions The presentation of these processes in monotheistic societies such as early Christian Late Antiquity where the practice continued through the use of curse tablets or medieval Europe and

beyond where the role of religion had changed radically provides a particular challenge and this topic has been little discussed by scholars This volume aims to rectify this desideratum by providing the opportunity to address questions related to the reception of Greco Roman divination oracles and prophecy in all media including literature and film Several contributions in this volume originated in the 2015 Classics Colloquium held at the University of South Africa and the volume has been augmented with additional contributions
