Ordaining Reality In Brief The Shortcut To Your Future:

Ordaining Reality in Brief Joseph E. Donlan, 2009 Many people believe in the Power of Positive Thinking but no one had succeeded in credibly explaining how mere thoughts can tangibly influence future occurrences To explain the connection Joseph Donlan presented highly plausible theories in two preceding books Each of these books presents a new paradigm of nature and couples it with a convincing explanation of how our right brain hemispheres have a unique ability to tap into the hidden domain of the metaphysical This final book in the series also supports these premises however it does so at a higher more condensed level so that readers with no background in science can gain enough information to appreciate the divergent worlds of physics and metaphysics and gain a view of nature that undeniably links mind to matter

In the Mind of a Master Slim Spurling, Susan Anderson, 2012-08-27 Slim Spurling was an inventor researcher and internationally recognized dowser He developed the Light Life tm Ring in 1991 which became the prototype of a cutting edge tensor technology The science represented in the Light Life tm Technology is both ancient and modern Quantum physics has shown us that ultimately everything is light and energy This has been demonstrated with the Light Life tm Tools in the energizing of food and water cleaning of the environment and the shift in consciousness Geobiology is the study of the influence of earth energies on all forms of life man animal and plant Normally silent and invisible these energy fields are felt by many and affect lives in profound ways With increasing amounts of distorted earth energies appearing on the local and global scene people need to be aware of the existence of this phenomenon and learn how to remediate its effects so the pain and suffering associated with it can be reduced Slim Spurling s Light Life tm Tools and Technology offer a means to work with rebalancing our environment in a non intrusive way without creating an additional burden on the earth This book will guide you in the applications of Slim Spurling s Tools in developing a deeper connection to life and truth His Light Life tm Harmonizers are known to raise conscious awareness allowing you to attain greater focus Comprehensive support for the shift mankind expects in 2012 and beyond is offered Slim Spurling s Tools have been helpful to many people in Improving their health Decreasing Stress Reducing the necessity for chemicals in the home Calming severe weather Cleaning the environment
