The Book of Mormon Paul C. Gutjahr, 2012-03-25 A concise

and eminently teachable history of the most important American made world scripture and its cultural and religious significance Choice Late one night in 1823 Joseph Smith Jr was reportedly visited in his family's farmhouse in upstate New York by an angel named Moroni According to Smith Moroni told him of a buried stack of gold plates that were inscribed with a history of the Americas ancient peoples and which would restore the pure Gospel message as Jesus had delivered it to them Thus began the unlikely career of the Book of Mormon the founding text of the Mormon religion and perhaps the most important sacred text ever to originate in the United States Here Paul Gutjahr traces the life of this book as it has formed and fractured different strains of Mormonism and transformed religious expression around the world Gutjahr looks at how the Book of Mormon emerged from the burned over district of upstate New York where revivalist preachers missionaries and spiritual entrepreneurs of every stripe vied for the loyalty of settlers desperate to scratch a living from the land He examines how a book that has long been the subject of ridicule Mark Twain called it chloroform in print has more than 150 million copies in print in more than a hundred languages worldwide Gutjahr shows how Smith's influential book launched one of the fastest growing new religions on the planet and has featured in everything from comic books and action figures to feature length films and an award winning Broadway musical A fascinating history of an important document of American culture Steven Poole *The Guardian*

My Kingdom Come Decker, To a Mormon happiness may be Family Home Evening and families may be forever but becoming an actual god is the ultimate goal of every member of the church Mormons believe the reason for coming to earth from the planet near the great star Kolob is to gain bodies for our spirit beings and to be tested To become gods they need to be Mormons to go through the temple to learn the signs and tokens for entry to the celestial glory and to be obedient unto death to the holy prophet Everything else is tied to and wraps around this one goal Today Mormon Mitt Romney is a major candidate for the White House A man who would be god An entire chapter is devoted to the Mormon

Plan for America and the rise of Mitt Romney It is a warning and a must read for every Christian **The Anatomy of Book of Mormon Theology, Volume Two** Joseph M. Spencer, 2021-11-16 Few scholars of the Book of Mormon have read this volume of scripture as closely and rigorously as Joseph M Spencer And of those none have devoted as much time and effort as he to a theological reading of that sacred text that is as Spencer writes how it might shape responsible thinking about questions pertaining to the life of religious commitment p 1 173 The Anatomy of Book of Mormon Theology divides into two volumes exploring and thinking about these pertinent questions Whereas the first volume principally contains essays that deal with relatively traditional theological questions and concerns the essays in this volume ask about what new worlds might be discovered in doing theological work on the Book of Mormon focusing on what Spencer calls microscopic and macroscopic theological readings of the text Essays in the first set examine no more than a verse of the Book of Mormon more often just a single phrase or two to see what theological implications lie within the details of the text The second set of essays ask questions about the shape and intentions of the whole of the Book of Mormon as this can be discerned through the ways it deploys biblical texts and especially the writings of Isaiah A third set of essays follows the two on microscopic and macroscopic styles of theology and are invitations to blur the boundaries that separate different styles of Book of Mormon scholarship These final essays call on Book of Mormon scholars to move closer to theology and calls on theologians to move closer to the Book of Mormon

The Mormon Story Rulon Stanley Howells, 1963 *Improvement Era*, 1900 A Song for Issy Bradley Carys Bray, 2015-04-24 The six members of the Bradley family have always been close But in the wake of a tragedy that leaves a hole in the very center of their lives they suddenly find themselves coming apart Claire a convert to the Mormon faith is so shattered by what's happened that she can't even bring herself to get out of bed Her husband Ian however is more secure in his belief that everything happens for a reason As a bishop in the Church of Jesus Christ of Latter Day Saints he's utterly consumed with ministering to his congregation even as his family falls to pieces all around him Zippy seventeen and 100% sure she's on the path to righteousness struggles to balance the demands of the church and the attentions of a boy Al fourteen chafes at his father's platitudes and skips school to play soccer in the park with his friends And last but not least Jacob seven is working on resurrecting his goldfish in the hopes of performing a much larger miracle one that might put everyone in his family back in their right place *A Song for Issy Bradley* is a brilliant and heartfelt debut a gorgeously written and keenly observed meditation on the enduring bonds of faith and family *The Improvement Era*, 1967 *True*
