**My Name is Chicken Joe** Trout Fishing in America, 2009 These 11 catchy songs written and performed by Trout Fishing in America feature vivid playfully sophisticated illustrations by accomplished artist Stéphane Joris. The title song is an exploration of how names don't always reveal what a child expects. Chicken Joe happens to be a cat, Miss Kitty a dog and King Kong a parakeet. The duo's folk roots repertoire manages to appeal lyrically to children without being condescending.

**Let's Start the Music** Amy Brown, 2014 Music programs have been scaled back or eliminated altogether from the curricula of many schools. Luckily, storytimes offer ideal opportunities for music and songs. In this collection of easy-to-use, easy-to-adapt library programs for children in grades K-3, Brown connects songs and musical activities directly to books kids love to read. Offering several thematic programs complete with stories, songs, and flannelboard and other activities, her book includes Music activities, lists of music-related books, mix and match activities, and additional web resources. Terrific tips on how to teach songs to young children, ways to develop original songs and rhythms to enliven children's books. Even if you can't carry a tune in a bushel basket, this handy resource has everything you need to start the music in your storytimes.
