My Fate My Destiny Story

Najīb Maḥfūz

My Fate My Destiny Story:

Naguib Mahfouz at Sidi Gaber : reflections of a Nobel laureate : 1994-2001 : from conversations with Mohamed Salmawy Najīb Maḥfūz, 2001 This volume published on the occasion of the Nobel laureate's 90th birthday brings together a selection of the more personal reflective pieces that have appeared over the past seven years. They reveal a writer concerned as always with the human condition with his own thought processes and with the craft of writing offering rare insights into the way a great writer thinks and works. The range and quality of writing is even more remarkable when one remembers that since a nearly fatal knife attack in 1994 the injuries Mahfouz sustained combined with his failing eyesight have made it almost impossible for him to write. But as a man who has devoted his life to the written word Mahfouz now prepares his weekly articles through conversations with his friend Mohamed Salmawy who has selected and gathered the pieces in this collection.

Set against the backdrop of quiet cafes, wistful gazes and the bittersweet passage of time, each story unveils a different facet of love, be it unspoken confessions, lost chances or love that defies age and reality. Through poetic prose and introspective narration, the book delves into the hearts of characters who yearn for connection, relive their most cherished moments and navigate the delicate balance between dreams and reality. Whether it's a writer who immortalizes his love through novels, an old man who relives his love story every day or a lover haunted by an unfinished past, these tales resonate with the deep emotions that define human relationships. If you enjoy beautifully crafted, deeply moving stories about love that lingers beyond time, Cafe of Longing will transport you into a world where love is not just a feeling but an enduring force. Perfect for readers who appreciate poignant storytelling, lyrical prose and a touch of nostalgia. **The Shattered Gate** Eric R. Swanson, 2020-03-23 They selfishly pillaged Earth and made him a hybrid. Will his split nature spell the end of intergalactic abduction? Half human, half Cerean, Micah Trace yearns for something more. Though the repetition and isolation of living as a body double for the King of Ceres is crushing, he's grateful to be treated better than the other genetically engineered humans. But when he discovers the ailing plight of his ancestors, he heeds the calling and cleverly insinuates himself into a dangerous mission across the galaxy. Fearing their plan to repair a failing transportation gate might lead to disaster, Micah uses his experience mimicking the king to steal the forbidden authority he's assumed for so long. But with ulterior motives darkening the depths of space, he may not survive to see the centuries-old connection between the planets repaired. Can the royal mimic win the support of the
