**Translated ... by Edgar H. Miller, Etc** José Mauro de Vasconcelos, 1971 Language, Culture and Literature in Telecollaboration Contexts Karin Adriane Henschel Pobbe Ramos, Kelly Cristiane Henschel Pobbe de Carvalho, 2023-09-01 This book describes and analyses experiences of teaching and learning language culture and literature based on telecollaboration an approach that creates interactions between groups of learners from different countries through the integration of a series of virtual and intercultural collaborative tasks to the curricula of undergraduate and graduate courses The experiences analyzed in this volume come from two telecollaborative projects developed by the São Paulo State University UNESP in Brazil with universities from other countries the Brazilian Virtual Exchange BRaVE Program and the Teletandem Brasil Project The BRaVE Program aims at fostering an online collaborative learning modality that promotes intercultural contact and the exchange of ideas by connecting Brazilian undergraduate or graduate students with students from different higher education institutions around the world The Teletandem Brasil Project is based on a mode of telecollaboration teletandem that creates a virtual collaborative and autonomous context for learning foreign languages in which two students help each other to learn their own languages or a language of proficiency They do so by using the text voice and webcam image resources and by adopting the three principles of tandem learning autonomy reciprocity and separate use of both languages Language Culture and Literature in Telecollaboration Contexts will be of interest to both educational researchers and teachers as it presents on the one hand an innovative tool to promote the democratization of foreign language learning and on the other hand discusses how telecollaborative projects can contribute to the training of language and literature teachers My Sweet Orange Tree Jose Mauro de Vasconcelos, 2020 This is the growing up story of
