*American Book Publishing Record* ,2006 *Charisma and Christian Life* ,2004-07 Subject Guide to Books in Print ,1996 *Mentoring Companionship* Freddy Lay,2021-03-22 Rooted in a wide range of examples of companion mentoring in scripture Mentoring Companionship by author Freddy Lay develops a compelling vision for how close companionship can strengthen mentoring relationships in ways that provide mutual encouragement and support It gives a foundation for developing a mentoring companionship framework not just for church but also for other spheres of life The message focuses on companion mentoring in which paired individuals or groups support each another in their ministry roles Primarily directed at church leaders Mentoring Companionship encourages them away from depictions of themselves as powerful solo figures toward a more cooperative and supportive model of ministry oriented around the greater goal of faithfulness to Christ

Throughout twelve chapters Lay's biblically focused study highlights the importance of ensuring church leaders engage in companionship mentoring to benefit from mutual support and accountability and to counter the loneliness and isolation so many leaders in ministry often experience. Based on his many years of experience in ministry leadership in Indonesia, Lay provides a wealth of suggestions and personal experiences to underlie his analysis of the importance of companion mentoring.

**Understanding the Purpose and Power of Men** Myles Munroe, 2017-06-06 The male is in crisis. Traditional roles once gave men stability and continuity from generation to generation. Today, the world is sending out conflicting signals about what it means to be a man. Many men are questioning who they are and what roles they fulfill in life as a male, a husband, and a father, leaving them frustrated and causing them to live far below their potential. Best-selling author Dr. Myles Munroe examines cultural attitudes toward men and addresses critical issues such as: How can men gain their footing in the ever-shifting environment of cultural expectations? What does it mean to be male? What definition of masculinity should men adopt? What roles should men fulfill in the workplace and in the home? What do gender roles have to do with the male's purpose? What are the differences between males and females? How are men and women meant to relate to one another? How can a man build a better life for himself, his family, and the world? When men understand the purpose God has given them and the true design of their relationship with women, they will be free to fulfill their destiny and potential.
