Several versions of Pearson's MyLab check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. This access kit will provide you with a code to get into MyMathLab, a personalized interactive learning environment where you can learn mathematics and statistics at your own pace and measure your progress. In order to use MyMathLab, you will need a CourseID provided by your instructor. MyMathLab is not a self study product and does require you to be in an instructor led course. MyMathLab includes interactive tutorial exercises. MyMathLab's homework and practice exercises are correlated to the exercises in the relevant textbook and they regenerate algorithmically to give you unlimited opportunity for practice and mastery. Most exercises are free response and provide an intuitive math symbol palette for entering math notation. Exercises include guided solutions, sample problems, and learning aids for extra help at point of use and they offer helpful feedback when students enter incorrect answers. eBook with multimedia learning aids MyMathLab courses include a full eBook with a variety of multimedia resources available directly from selected examples and exercises on the page. You can link out to learning aids such as video clips and animations to improve their understanding of key concepts. Study plan for self-paced learning MyMathLab's study plan helps you monitor your own progress, letting you see at a glance exactly which topics you need to practice. MyMathLab generates a personalized study plan for you based on your test results and the study

plan links directly to interactive tutorial exercises for topics you haven't yet mastered. You can regenerate these exercises with new values for unlimited practice and the exercises include guided solutions and multimedia learning aids to give students the extra help they need. NOTE: Please check the ISBN of the access card your instructor required you to purchase with the ISBN 13 of this product: 978-0321199911. If the ISBN 13 does not match your course is within a custom division and the access code will not work with this product. In order to use MyMathLab you will need a CourseID provided by your instructor. MyMathLab is not a self study product and does require you to be in an instructor led course.
