Catholic Thoughts on the Bible and Theology Frederic Myers,1874 **Learning Morality, Inequalities, and Faith**
Hansjörg Dilger,2021-12-16 Examines how learning and teaching morality in Tanzania s faith oriented schools is inextricably
interwoven with the complex power relations of an interconnected world Chioniso and Other Stories Shimmer
Chinodya,2012-03-01 In this new collection Chioniso and other stories we are once again reminded how Shimmer Chinodya
mines his experience for nuggets Playing with his doppelganger Godfrey he looks back on life in Harare and in Zimbabwe
over the last decade exploring it from a familial perspective How does a father cope with a rebellious daughter or a wife he
perceives as wayward How does one mediate traditional gender roles What to do when status in the form of a car
undermines the stability of a marriage How does one manage a friendship with a new farmer What moral compromises are
demanded by new wealth and political cronyism And what is the effect of religion on our lives Have we become more caring
and compassionate or does piety provide a mask to disguise greed and ambition and justify a contempt for the poor This
collection of stories will make you laugh but it will also challenge you to reconsider what it means to be Zimbabwean in the
