Internal Communication and Employer Brands Ana Tkalac Verčić,Dejan Verčić,Anja Špoljarić,2022-11-04 This book proposes a model of internal communication based on empirical research to demonstrate how contemporary organizations strategize organize perform and measure it Internal communication is the management of communication between an organization and its members to inform motivate engage and cocreate meanings to make organizations more effective The book presents key concepts defining the successful implementation and execution of internal communication internal communication satisfaction employee engagement employer branding organizational support and psychological contract fulfillment Including an extensive literature review and informed by in depth interviews conducted with corporate communication directors and human resource management directors in 25 Croatian organizations the book uses original research to give practical guidance on internal communication best practices The book is an ideal resource for researchers and advanced students of public relations and corporate communication broadly and internal and employee communication specifically

Academy of Management Journal Academy of Management,1986 Focus on management theory and practice **Books in Print** ,1993-09 V 1 Authors A D v 2 Authors E K v 3 Authors L R v 4 S Z v 5 Titles A D v 6 Titles E K v 7 Titles L Q v 8 Titles R Z v 9 Out of print out of stock indefinitely v 10 Publishers **The Psychology of Negotiations in the 21st Century Workplace** Barry Goldman,Debra L. Shapiro,2012 The litigation explosion in the 21st century workplace means increasing costs and risks of lawsuits Negotiation appears the attractive alternative to litigation This new volume with contributions from experts in psychology management and other disciplines bridges the gap between management and negotiation research Managers students and researchers interested in the field of negotiation will find this new book in SIOP s Organizational Frontiers series of interest **Global Encyclopedia of Public Administration, Public Policy, and Governance** Ali Farazmand,2023-04-05 This global encyclopedic work serves as a comprehensive collection of global scholarship regarding the vast fields of public administration public policy governance and management Written and edited by leading international scholars and practitioners this exhaustive resource covers all areas of the above fields and their

numerous subfields of study In keeping with the multidisciplinary spirit of these fields and subfields the entries make use of various theoretical empirical analytical practical and methodological bases of knowledge Expanded and updated the second edition includes over a thousand of new entries representing the most current research in public administration public policy governance nonprofit and nongovernmental organizations and management covering such important sub areas as 1 organization theory behavior change and development 2 administrative theory and practice 3 Bureaucracy 4 public budgeting and financial management 5 public economy and public management 6 public personnel administration and labor management relations 7 crisis and emergency management 8 institutional theory and public administration 9 law and regulations 10 ethics and accountability 11 public governance and private governance 12 Nonprofit management and nongovernmental organizations 13 Social health and environmental policy areas 14 pandemic and crisis management 15 administrative and governance reforms 16 comparative public administration and governance 17 globalization and international issues 18 performance management 19 geographical areas of the world with country focused entries like Japan China Latin America Europe Asia Africa the Middle East Russia and Eastern Europe North America and 20 a lot more Relevant to professionals experts scholars general readers researchers policy makers and manger and students worldwide this work will serve as the most viable global reference source for those looking for an introduction and advance knowledge to the field

Leading Responsibly in the Asian Century Mario Fernando, 2015-12-15 The book is one of the first to focus on responsible leadership in the contemporary Asian century context It adopts a unique context driven social innovation based responsible leadership approach to explain how context can impact and shape the theory and practice of responsible leadership This unique work will strongly appeal to a broad spectrum of researchers and scholars across disciplines with a particular interest in the interplay between leadership responsibility and ethics As Asia s influence on the global economy continues to grow in the Asian Century this book offers a culturally integrated view of how the shift in economic power to Asia and the rising new global economic order can influence the theory and practice of responsible leadership The book focuses particularly on the Asian century opportunities and challenges as a strong contextual factor that shapes the responsibility of responsible leadership The scholarly literature on the topic the case studies developed through interviews and secondary data and author s corporate experiences in the Asia Pacific region in leading organisations are key sources for the book s assertions It fills an important gap in the literature on how Asian cultural factors might influence the predominantly Western developed responsible leadership theory and practice This book covers key topics including the moral basis for responsibility theory and practice of responsible leadership Asian challenges to responsible leadership and socially innovative responsible leadership Fernando s book provides a fresh and novel perspective on how evolutionary changes in economic power between Asia and the rest of the world undoubtedly will affect the practice of responsible leadership He examines varying views on responsible leadership across cultures demonstrating how Asian and Western leadership styles

have evolved as our economy continues to become more globally integrated Prof Laura Pincus Hartman Director Susilo Institute for Ethics in the Global Economy Boston University Questrom School of Business Boston USA There is little doubt that this is the Asian Century and that economic and political influences from the east will increase But so too may cultural ethical and even religious influences It is therefore important that researchers understand these significant changes In this book Mario Fernando gives us an insight into what this means for responsible leadership It is primarily an excellent work of scholarship written for academics who teach and research in this area by someone who knows Asian business and culture from the inside But it will also reward careful study by practicing leaders and those who are the potential leaders of the future Professor of Business Ethics Geoff Moore Durham Business School Durham University UK
