A Aslandogan, 2019-05-01 This book narrates the life of Prophet Muhammad peace be upon him shedding light upon segments of his life that are either neglected or glossed over in conflict focused biographies The narrations in this book revolve around the Prophet s various strategies of diplomacy and reconciliation to avoid conflicts In narrating these events the book helps the readers broaden their perspective on the life of the Messenger of God and better capture the ethos of his life Indeed both Muslims and non Muslims may benefit from this understanding at a time when violent extremist groups such as ISIS are causing carnage with their brutality while dressing their totalitarian ideologies in Muslim garb The book exposes the hypocritical and willful deception of these radical groups which cherry pick incidents and sayings from the Prophet s life decontextualize them and abuse them to serve their perverted ideologies The extensive evidence presented in this book will not only dispel many myths about the life and message of the Noble Prophet but also show how through compassionate efforts he conquered the hearts of people around him and turned them from die hard enemies to devoted faithful friends *Education, Religion, and the Modern Age* Mohammad Sharif Khan, 1990 Infidel Behind the Paradoxical Veil Jeanette M.
