

A detailed oil painting of Napoleon Bonaparte, showing him from the chest up. He has long, wavy brown hair and is looking slightly to his right with a serious expression. He is wearing a dark blue military coat with red lapels and a high collar adorned with gold buttons and epaulettes.

"A superb work
both of scholarship
and literature, by
a biographer at the
top of his form"

Napoleon Path To Power 1769 1799 Volume 1:

Napoleon Munro Price, 2014 It is generally assumed that once Napoleon's military defeats began in 1812 his fall became inevitable This book argues that this was not the case and focuses instead on why he failed to explore a compromise peace that could have allowed him to keep his crown **The Encyclopedia of the French Revolutionary and Napoleonic**

Wars Gregory Fremont-Barnes, 2006-08-30 This comprehensive three volume work on the French Revolution and Napoleon's rule and campaigns covers a wide range of military political social and cultural events and personalities during a time of dramatic change in Europe In three extraordinarily rich volumes The Encyclopedia of the French Revolutionary and Napoleonic Wars captures the full sweep and legacy of the transformation of Europe from 1792 to 1815 Its nearly 900 alphabetically organized fully cross referenced entries provide students and general readers with vivid biographies of politicians sovereigns and commanders accounts of battles weaponry and diplomatic affairs insights into the art music and culture of the times and much more Unlike other works on the subject this encyclopedia combines coverage of Napoleon's rule with that of the crucial Revolutionary years in France that set the stage for his rise to power It includes contributions from the most wide ranging group of international experts ever assembled for a work on this era Students will see the full continent wide impact of France's evolution from aristocracy to democracy to military autocracy and explore the effects of nationalism empire building industrialization and international conflict which resonate with more relevance today than ever

Napoleon Philip G. Dwyer, 2007 Napoleon Bonaparte's rise to power was neither inevitable nor smooth It was full of mistakes wrong turns and pitfalls Napoleon's identity during his formative years was shifting his character ambiguous and his intentions often ill defined As a young inexperienced general he covered up his defeats and exaggerated his victories He never hesitated to blame others for his own failures and failings He was however highly ambitious and it was this drive that others noticed and that allowed him to advance his career and his social status One of the first truly modern politicians Napoleon was a peerless manipulator of the media of his time so that he was able to build an image of himself that laid the foundation of the legend that was to follow 2010 Redaktion Osnabrück, 2011-06-16 *The Literary Review*, 2007
