Napoleon's Waterloo Campaign Steven Marthinsen,2003-04 Napoleon s Waterloo Campaign An Alternate History is a story of this famous campaign with a twist What would have happened if Marshal Grouchy Napoleon s wing commander had marched to the sound of the guns as his subordinate commanders had urged This intriguing idea is an open invitation for taking a closer look at what might have been in June of 1815 This volume is the first modern full length alternative history written about the Waterloo campaign but it does not stop there First the narrative seeks to examine and explain the logic behind the French emperor s decisions and to a lesser extent those made by his famous enemies Then the change in history is seamlessly inserted into the overall context of the campaign and followed to its dramatic climax at the battle of Ohain on June 19 1815 The campaign of Waterloo was a series of opportunities taken and missed by both sides and the volume shows how a single decision could have changed the course of history
