### KS2 Poetry: Narrative Poems

This guide contains a number of resources to support pupils when writing a narrative poem based on a traditional tale that they know well. It includes poems retelling a traditional tale, a template for pupils to adapt and to write their own narrative poem and a writing plan.

The poems used are well known by children (English, poems based on stories, myths, legends and traditional poems) so that pupils can relate the themes when writing their own narrative poems.

What is a narrative poem?

- A narrative poem is a form of poetry that tells a story. It will include dialogue and describe plot and characters in a poem. It may include some other poem devices. The story can be about us and others.

“Wish you had said all the time and not  
waiting another paragraph to finish. You should have  
the introduction and summary from the beginning paragraph  
as well as the end from the end of the poem  
You should plan a title for the poem  
in the first, “introduction” of the poem  
so the audience can relate to the poem  
and can relate the situation when reading your poem to the poem.”

“However, a writing plan will help  
you when writing a poem so that you  
can relate the poem to the introduction and  
the summary and the end of the poem  
“Please note that the poem will be  
the summary, the end of the poem  
and the introduction to the poem will be  
a poem that you have written before  
so make sure that you have written  
and the introduction to the poem, the end of the poem  
and the summary to the poem, the end of the poem.”
