Undue Influence Ron Arnold, 1999

Undue Influence author Ron Arnold America's premiere investigative critic of organized environmentalism follows the money and takes you with him. In this astonishing book he explains how the environmental movement is not just the green groups we are accustomed to thinking of but is instead an extraordinarily incestuous iron triangle of wealthy foundations, grant driven green groups and zealous bureaucrats that control your future without your knowledge or permission. Big foundations and big government give billions in grants to elitist green groups whose every effort hurts your economic future. Book jacket
