National Treasure Nicolas Cage Pop Classics:

National Treasure Lindsay Gibb, 2015-10-01 A celebration of Nicolas Cage the man and the meme Nicolas Cage leading man or character actor Action hero or goofball comedian Internet joke or one of the greatest actors of his generation Beyond the gif bait and easy punchline Nicolas Cage continually frustrates easy categorization or understanding In National Treasure pop culture writer Lindsay Gibb studies Nicolas Cage's acting style and makes sense of the trajectory of his eclectic career In the process Gibb debunks the common claim that Cage makes bad choices While his selection of roles is seemingly inscrutable Cage challenges critics and audiences alike by refusing to be predictable or to conform to the Hollywood approach to acting Much like one of his mentors David Lynch Cage aims for art in movie making Is there a method to his madness Is he in on the joke In this clear eyed and well argued volume of the Pop Classics series Gibb answers both questions with a resounding hell yes

In My Humble Opinion Roberts, Soraya, 2016-08-01 A smart engaging investigation of the show that brought real teens to TV My So Called Life lasted only 19 episodes from 1994 to 1995 but in that time it earned many devoted viewers including the showrunners who would usher in the teen TV boom of the late 90s and the new millennium With its focus on 15 year old Angela Chase's search for her identity MSCL's realistic representation of adolescence on TV was groundbreaking without her there would be no Buffy or Felicity Rory Gilmore or Veronica Mars The series broadcast coincided with the arrival of third wave feminism the first feminist movement to make teen voices a priority and Angela became their small screen spokesperson From her perspective MSCL explored gender identity sexuality race class body image and other issues vital to the third wave and the world To this day passionate fans dissect everything from what Rickie Vasquez did for gay representation to what Jordan Catalano did for leaning and Soraya Roberts makes an invaluable contribution to that conversation with In My Humble Opinion

Most Dramatic Ever Suzannah Showler, 2018-01-23 The right reasons to fall in love with The Bachelor When it debuted in 2002 The Bachelor raised the stakes of first wave reality television offering the ultimate prize true love Since then thrice yearly dozens of camera ready young and eligibles have vied for affection and roses in front of a devoted audience of millions In this funny insightful examination of the world's favorite romance factory Suzannah Showler explores the contradictions that are key to the franchise's genius longevity and power and parses what this means for both modern love and modern America She argues the show is both gameshow and marriage plot an improbable combination of competitive effort and kismet and that it's both relic and prophet a time traveler from first gen reality TV that proved to be a harbinger of Tinder In the modern media savvy climate the show cleverly highlights and resists its own artifice allowing Bachelor Nation to see through the fakery to feel the romance Taking on issues of sex race contestants as villains the controversial spin offs and more Most Dramatic Ever is both love letter to and deconstruction of the show that brought us real love in the reality TV era

The Time of My Life Andrea Warner, 2024-04-09 An engaging exploration into the enduring popularity of Dirty Dancing and its lasting themes of feminism

activism and reproductive rights When *Dirty Dancing* was released in 1987 it had already been rejected by producers and distributors several times over and expectations for the summer romance were low But then the film written by former dancer Eleanor Bergstein and starring Jennifer Grey and Patrick Swayze as a couple from two different worlds exploded Since then *Dirty Dancing* s popularity has never waned The truth has always been that *Dirty Dancing* was never just a teen romance or a dance movie it also explored abortion rights class and political activism with a smattering of light crime solving In *The Time of My Life* celebrated music journalist Andrea Warner excavates the layers of *Dirty Dancing* from its anachronistic chart topping soundtrack to Baby and Johnny s chemistry to Bergstein s political intentions to the abortion subplot that is more relevant today than ever The film s remarkable longevity would never have been possible if it was just a throwaway summer fling story It is precisely because of its themes deeply feminist sensitively written that we over 30 years later are still holding our breath during that last exhilarating lift

Ugh! As If! Veronica Litt,2025-06-03 *Ugh As If* uncovers the complex layers beneath the glossy surface of the 1995 classic film *Clueless* Litt investigates not just the Austen satire but the film s deeper ethical questions about femininity innocence bias and inequity A sweet and sly exploration of the Jane Austen inspired teen movie and its evergreen imperative to be kind do better and find the activist within We are totally butt crazy in love with *Clueless* Since the movie s premiere in 1995 pop culture has mined Amy Heckerling s high school comedy for inspiration from Iggy Azalea and Charli XCX s *Fancy* music video to Cher s iconic yellow plaid suit appearing at every Halloween party In *Ugh As If* Veronica Litt argues that this seemingly fluffy teen romp is the quintessential thinking woman s movie one in which the audience is asked to seriously consider the beauty and power of na vet Cher Horowitz s gradual pivot from oblivious it girl to burgeoning activist is a powerful reminder that even the most unlikely people can change for the better and contribute to their communities In this bright shiny film pursuing a more just society isn t just possible it s enjoyable This fun feminine feel good movie is a counter narrative to nihilism a refusal to give into cynicism hopelessness and passivity Almost without viewers noticing *Clueless* teaches Cher and us how to become better Like the film it examines *Ugh As If* nudges even the most jaded viewer into feeling hopeful about the future About the Pop Classics Series Short books that pack a big punch Pop Classics offer intelligent fun and accessible arguments about why a particular pop phenomenon matters

Clever Girl Hannah McGregor,2024-10-01 A smart and incisive exploration of everyone s favorite dinosaur movie and the female dinosaurs who embody what it means to be angry monstrous and free The *Jurassic Park* series is one of the most famous and profitable cinematic experiences of all time with an entire generation of people who have never known life without these CGI dinosaurs But while the movie spectacle broke film and merchandising records pioneered special effects and made Jeff Goldblum into an unlikely sex symbol it has also been re envisioned as a classic of queer feminist storytelling In *Clever Girl* Hannah McGregor argues that the female only dinosaurs of *Jurassic Park* are stand ins for monstrous women engineered by men to be intelligent violent and adaptive and whose chaos resists the systems designed to

control them As they run wild through their prison a profit driven theme park they destroy the men and structures who mistakenly believed in their own colonialist and capitalist power showing the audience what it means to be angry monstrous and free The velociraptors were not just jump scares for children but also revelatory and predatory symbols of feminist rage Clever girls indeed About the Pop Classics Series Short books that pack a big punch Pop Classics offer intelligent fun and accessible arguments about why a particular pop phenomenon matters Ain't No Place for a Hero Kaitlin

Tremblay,2017-10-17 A deep dive into the groundbreaking and bestselling video game series The critically acclaimed first person shooter franchise Borderlands knows it s ridiculous It s a badge of pride After all Borderlands 2 was promoted with the tagline 87 bazillion guns just got bazillionder These space western games encourage you to shoot a lot of enemies and monsters loot their corpses and have a few chuckles while chasing down those bazillion guns As Kaitlin Tremblay explores in Ain t No Place for a Hero the Borderlands video game series satirizes its own genre exposing and addressing the ways first person shooter video games have tended to exclude women queer people and people of colour as well as contribute to a hostile playing environment Tremblay also digs in to the way the Borderlands game franchise which has sold more than 26 million copies disrupts traditional notions of heroism creating nuanced and compelling storytelling that highlights the strengths and possibilities of this relatively new narrative medium The latest entry in the acclaimed Pop Classics series Ain t No Place for a Hero is a fascinating read for Borderlands devotees as well as the uninitiated **It Can't Rain All the Time**

Alisha Mughal,2025-07-15 It Can t Rain All the Time weaves memoir with film criticism in an effort to pin down The Crow s cultural resonance A passionate analysis of the ill fated 1994 film starring the late Brandon Lee and its long lasting influence on action movies cinematic grief and emotional masculinity Released in 1994 The Crow first drew in audiences thanks to the well publicized tragedy that loomed over the film lead actor Brandon Lee had died on set due to a mishandled prop gun But it soon became clear that The Crow was more than just an accumulation of its tragic parts The celebrated critic Roger Ebert wrote that Lee s performance was more of a screen achievement than any of the films of his father Bruce Lee In It Can t Rain All the Time Alisha Mughal argues that The Crow has transcended Brandon Lee s death by exposing the most challenging human emotions in all their dark dramatic and visceral glory so much so that it has spawned three sequels a remake and an intense fandom Eric our back from the dead grieving protagonist shows us that there is no solution to depression or loss there is only our own internal messy work By the end of the movie we realize that Eric has presented us with a vast range of emotions and that masculinity doesn t need to be hard and impenetrable Through her memories of seeking solace in the film during her own grieving period Alisha brilliantly shows that for all its gothic sadness The Crow is surprisingly and touchingly a movie about redemption and hope About the Pop Classics Series Short books that pack a big punch Pop Classics offer intelligent fun and accessible arguments about why a particular pop phenomenon matters **Right, Down + Circle** Cole

Nowicki,2023-09-26 An exuberant incisive look at how Tony Hawk s Pro Skater transformed a culture Going from a hobby toy

for surfers to an Olympic sport skateboarding has had a tumultuous history Today professional skateboarders land endorsement deals with Nike and Adidas while popular television series like HBO's *Betty* tell the stories of diverse crews of skaters living in New York City So how did a fledgling subculture rise from its near death knell in the 90s to become ubiquitous today It was simply a matter of finding the right messenger In 1999 the bestselling video game *Tony Hawk's Pro Skater* was released and a new generation was exposed to skateboarding culture right in their very own homes Kids and adults alike could now spend hours playing as actual skateboarders learning the vernacular listening to the music skateboarders loved and having fun onscreen before trying to skate IRL in the driveway *Right Down Circle* explores how a video game starring the most famous pro skater in the world brought skateboarding culture and its ever shifting markers of music subversion and coolness to the masses and ultimately transformed the culture it borrowed from in the process

Let's Go Exploring Michael Hingston, 2018-05-01 A fascinating investigation of a beloved comic strip The internet is home to impassioned debates on just about everything but there's one thing that's universally beloved Bill Watterson's comic strip *Calvin and Hobbes* Until its retirement in 1995 after a ten year run the strip won numerous awards and drew tens of millions of readers from all around the world The story of a boy and his best friend a stuffed tiger was a pitch perfect distillation of the joys and horrors of childhood and a celebration of imagination in its purest form In *Let's Go Exploring* Michael Hingston mines the strip and traces the story of Calvin's reclusive creator to demonstrate how imagination its possibilities its opportunities and ultimately its limitations helped make *Calvin and Hobbes* North America's last great comic strip

Gentlemen of the Shade Jen Sookfong Lee, 2017-06-13 Gus Van Sant's film and the 90s cult of the alternative Gus Van Sant's 1991 indie darling *My Own Private Idaho* perplexed and provoked inspiring a new ethos for a new decade being different was better than being good *Gentlemen of the Shade* examines how the film was a coming of age for a generation of young people who would embrace the alternative and bring their outsider perspectives to sustainability technology gender constructs and social responsibility
