Nursing Process Framework

NACE questions are written using the following framework:

Assessment

Assessment involves collecting cultural, emotional, and physical data, as well as recognizing specific signs, symptoms, and behaviors.

Analysis

Analysis involves interpreting data, identifying needs, and making diagnoses.

Planning

Planning involves goal-setting, selecting measures for care, and identifying correct care-giving techniques.

Implementation

Implementation involves responding to clients appropriately when they ask for information or require teaching.

Evaluation

Evaluation involves recognizing effects (both intended and unintended) of treatments and measures, determining evidence of compliance with the treatment plan, and determining the response to treatment.
