Bulloch,Scott Penzak,Lena McDowell,2025-03-21 In most states anyone wishing to obtain a license to practice pharmacy must take a state specific test on pharmacy law called the Multistate Pharmacy Jurisprudence Examination MPJE This exam is a combination of Federal pharmacy law and state specific laws While some states have their laws rules and regulations in an easy to access area there is no centralized area for all the content on the MPJE exam in Alabama Furthermore student pharmacists are typically only taught state specific laws rules and regulations for the state in which their school resides If a person graduates from a school in a different state they must compile all the information for the MPJE themselves which can be cumbersome and time consuming This book seeks to bridge this gap by including all the information needed to prepare for the MPJE for the state of Alabama authored by pharmacists who are actively practicing and teaching within the state **NAPLEX Prep 2018** Amie D.
