

NAPOLEON'S ELITE CAVALRY

Cavalry of the Imperial Guard, 1804–1815
The Paintings of Lucien Rousselot

TEXT BY EDWARD RYAN

Napoleons Elite Cavalry

Lei Huang

Napoleons Elite Cavalry:

Napoleon's Elite Cavalry Lucien Rousselot, Edward Ryan, 1999 In a series of wonderful full color plates this superb book conveys the glory of soldiers of a military era surpassing the splendor of any others 91 illustrations **Napoleon's Mounted Chasseurs of the Imperial Guard** Ronald Pawly, 2012-02-20 A concise history of the hand picked elite cavalry guard that served as Napoleon s close personal escort and were committed to the most dangerous areas of combat on the battlefield Formed from his original escort of Guides and the Consular Guard in 1799 the Mounted Chasseurs were a personal favourite of the Emperor who wore their uniform on campaign Ronald Pawly s unique research into regimental archives has uncovered unprecedented detail about this exceptional unit and its soldiers and officers With their colourful uniforms recreated in full colour artwork and accounts of their actions in the most critical Napoleonic battles this book provides a comprehensive description of these legendary elite soldiers *Napoleon's Mounted Chasseurs of the Imperial Guard* Ronald Pawly, 2012-02-20 A concise history of the hand picked elite cavalry guard that served as Napoleon s close personal escort and were committed to the most dangerous areas of combat on the battlefield Formed from his original escort of Guides and the Consular Guard in 1799 the Mounted Chasseurs were a personal favourite of the Emperor who wore their uniform on campaign Ronald Pawly s unique research into regimental archives has uncovered unprecedented detail about this exceptional unit and its soldiers and officers With their colourful uniforms recreated in full colour artwork and accounts of their actions in the most critical Napoleonic battles this book provides a comprehensive description of these legendary elite soldiers **Napoleon's Shield & Guardian** Edward Ryan, 2003-01-08 This outstanding biography is the story of courage It charts the career of a superbly brave cavalryman against the rise and fall of his imperial master Pierre Daumesnil was a loyal follower of Napoleon during his rise and his fall Enlisting as a private soldier in 1793 he was caught up in the tumult of the Napoleonic Wars surviving campaign after campaign and emerging as a much decorated general and Baron of the Empire It was a meteoric rise but one earned through hard fighting bravery and indefatigable courage Daumesnil accompanied Napoleon as an officer of his chasseurs and his service record reflects his years of experience on the field of battle Daumesnil joined the French Army as a private in 1793 and was serving in Napoleon s Guides in 1797 He served in Egypt in 1798 charged at Marengo in 1800 fought at Austerlitz and Eylau campaigned in Spain and saw action in Wagram Terribly wounded at that battle losing a leg Daumesnil became governor of the fortress of Vincennes It was here that he played his most celebrated role in the wars of Napoleon by refusing to surrender the fortress to the Allies in 1814 and again in 1815 Daumesnil s life was an adventure and one which typifies the dash colour and verve of this astonishing period This biography by a leading author will appeal to Napoleonic enthusiasts and those interested in the life and times of Napoleon s elite cavalymen **Napoleon's Gods: Uniforms and Horses** Paul Lindsay Dawson, 2011-10-04 The Grenadiers a Cheval of the Imperial Guard were the shock troops of the guard who were committed in battle as a final reserve at a

crucial moment to turn the tide to victory for the French Charging at Marengo where they were badly bloodied by the Austrians in their first battle they again charged decisively at Austerlitz and Eylau and bore the brunt of the fighting from 1813 when they were expanded to two regiments Of the regiments of the Guard the Grenadiers a Cheval has not been widely studied or been the subject of indepth research The book brings together much of what is known about the Grenadiers from the regiments archive held in France and contemporary iconography to chart in detail the regiments history and uniform in minute detail Using primary archival material held in France this work presents the first indepth study on this well known but little researched regiment

Cavalry Surgeon S.D. Broughton,2008-01 With one of Wellington s heavy cavalry regiments during the war in Iberia Samuel Broughton was an assistant surgeon for a regiment of militia before transferring to the 2nd Life Guards He served with this elite cavalry regiment throughout the campaigns in Portugal Spain and into the South of France and in the concluding battle for Toulouse Broughton s take on the campaign as it appears in this collection of his letters originally published in 1815 reveals a man with a keen eye for the details of the countryside through which he travelled and the habits and cultures of the people he met This a very personal account of war from an observant and thoughtful medical man who clearly wanted to share his experiences of a journey through wartime It is rich in period colour making it ideal background reference material of this fascinating episode of the Napoleonic War

1815: The Return of Napoleon Paul Britten Austin,2002-02-15 The dramatic story of Napoleon s escape from Elba and march on Paris in the words of eyewitnesses and participants Drawing on hundreds of firsthand accounts by Napoleon s supporters and opponents Paul Britten Austin recreates the drama of those tumultuous days of the spring of 1815 and throws light on the mixed French response to the unexpected return of their former emperor 1815 The Return of Napoleon recreates in the words of those present Napoleon s dramatic landing at Antibes in the south of France the first heady days of his arrival after almost a year of exile his almost miraculous march across France his arrival in Paris and the coup which led to the fall of the Bourbons Paul Britten Austin author of an acclaimed trilogy on Napoleon s invasion of Russia brings historical events to life and gives a dramatic insight into the hopes and fears of the French nation in that spring of 1815

Napoleon's Scouts of the Imperial Guard Ronald Pawly,2006-08-29 Napoleon s last Campaign of France in 1814 proved to be one of his most brilliant during the Napoleonic Wars 1799 1815 He relied as never before on committing his elite Imperial Guard cavalry to battle He raised three new regiments of crack *claireurs* Scouts which were attached to the Guard Mounted Grenadiers Empress s Dragoons and Polish Lancers respectively which would counterattack the Cossacks and gather vital information Each regiment had its own style of uniform but part of each was armed with lances Although they were short lived these Scout units greatly distinguished themselves in the last battles of the collapsing Empire

Napoleon's Cavalry: A Key Element to Decisive Victory Major Thomas A. Shoffner,2015-11-06 Napoleon s rise to power in the late eighteenth century occurred at a time when the structure of most European armies was based on the paradigm army of Frederick the Great Napoleon however

changed all of this and in a few short years transformed the French army into the most powerful force on the continent of Europe During the period of 1805 to 1813 Napoleon s army had no equal with regard to operational effectiveness Speed and positioning of forces were the two main characteristics that made the French army so successful These same two characteristics were also inherent to French cavalry units Thus the central research question is What influence did cavalry have upon Napoleon s operations To facilitate this study two campaigns were examined that illustrate cavalry s impact on Napoleon s operations The first campaign was the Jena Campaign of 1806 the second was the Saxony Campaign of 1813 The Jena Campaign demonstrated that with the employment of sufficient and well trained cavalry Napoleon could render his victories decisive through the complete destruction of the enemy army Conversely the Saxony Campaign demonstrated that without the effective employment of sufficient and well trained cavalry Napoleon could not obtain the complete destruction of the enemy army and thus his victories were hollow or at best Pyrrhic Therefore based on the analysis of these two campaigns this study has concluded that Napoleon s cavalry was a key element for Napoleon achieving complete destruction of the enemy army thus rendering his victories decisive

The Encyclopedia of the French Revolutionary and Napoleonic Wars Gregory Fremont-Barnes,2006 This comprehensive three volume work on the French Revolution and Napoleon s rule and campaigns covers a wide range of military political social and cultural events and personalities during a time of dramatic change in Europe In three extraordinarily rich volumes The Encyclopedia of the French Revolutionary and Napoleonic Wars captures the full sweep and legacy of the transformation of Europe from 1792 to 1815 Its nearly 900 alphabetically organized fully cross referenced entries provide students and general readers with vivid biographies of politicians sovereigns and commanders accounts of battles weaponry and diplomatic affairs insights into the art music and culture of the times and much more Unlike other works on the subject this encyclopedia combines coverage of Napoleon s rule with that of the crucial Revolutionary years in France that set the stage for his rise to power It includes contributions from the most wide ranging group of international experts ever assembled for a work on this era Students will see the full continent wide impact of France s evolution from aristocracy to democracy to military autocracy and explore the effects of nationalism empire building industrialization and international conflict which resonate with more relevance today than ever The Imperial Guard of

Napoleon J. T. Headley,1888 **History of the Consulate and the Empire of France Under Napoleon** Adolphe

Thiers,1879 **Napoleon's Cavalry and Its Leaders** David Johnson,2007-07 Dressed in outrageously romantic uniforms led by a flamboyant clique of aristocrats and extroopers Napoleons cavalry had a picturesque quality that belied its ruthless methods and tremendous service record Drawing heavily on material largely unknown to English speaking readers the campaigns in Austria Germany Egypt Italy Poland Belgium Spain and Portugal are all brought alive and put into their historical context *Napoleonic Heavy Cavalry & Dragoon Tactics* Philip Haythornthwaite,2013-07-20 During the

Napoleonic Wars the supreme battlefield shock weapon was the heavy cavalry the French cuirassiers and their British

Austrian Prussian and Russian counterparts Big men mounted on big horses the heavy cavalry were armed with swords nearly a metre long used for slashing or thrusting at their opponents many wore steel armour a practice revived by Napoleon They were tasked with smashing a hole in the enemy's line of battle with exploiting a weakness or with turning a flank Their classic manoeuvre was the charge arrayed in close order lines or columns the heavy cavalry would begin their attack at the walk building up to a gallop for the final 50 metres before impact Illustrated with diagrams relevant paintings and prints and specially prepared colour plates this is the first volume of a two part study of the cavalry tactics of the armies of Napoleon and those of his allies and opponents Written by a leading authority on the period it draws upon drill manuals and later writings to offer a vivid assessment of how heavy cavalry actually fought on the Napoleonic battlefield Armies of the Napoleonic Wars Chris McNab, 2009-06-23 The Napoleonic Wars saw almost two decades of brutal fighting from the frozen wastelands of Russia to the wilderness of the Peninsula and from Egypt to the bloody battlefield of Waterloo In the almost two decades of battle Napoleon led his Grande Armee and his allies against a varying coalition of nations This book provides a comprehensive guide to all the major armies of the Napoleonic Wars France Britain Austria Prussia Russia Spain and Portugal as well as many of the minor powers The changes in the armies over the period the organization the infantry cavalry and artillery are all covered along with illustrations of the often glorious uniforms worn into battle Book Jacket

Napoleonic Light Cavalry Tactics Philip Haythornthwaite, 2013-12-20 During the Napoleonic Wars all the major combatants fielded large numbers of light cavalry These nimble fast moving regiments performed a variety of vital roles from reconnaissance and keeping contact with the enemy during the movement of armies to raiding skirmishing and the pursuit to destruction of beaten enemies In practice light cavalry were often also employed for battlefield charges alongside the heavy cavalry Featuring period illustrations and specially commissioned colour artwork this is the second volume of a two part study of the cavalry tactics of the armies of Napoleon and those of his allies and opponents Written by a leading authority on the period it draws upon drill manuals and later writings to offer a vivid assessment of how light cavalry actually fought on the Napoleonic battlefield **Military History**, 1999-04 **Napoleon's Last Victory and the Emergence of Modern War** Robert M. Epstein, 1994 Presenting a significant new interpretation of Napoleonic warfare Robert M Epstein argues persuasively that the true origins of modern war can be found in the Franco Austrian War of 1809 Epstein contends that the 1809 war with its massive and evenly matched armies multiple theaters of operation new command and control schemes increased firepower frequent stalemates and large scale slaughter had more in common with the American Civil War and subsequent conflicts than with the decisive Napoleonic campaigns that preceded it Jacket flap Journal of the Society for Army Historical Research Society for Army Historical Research (London, England), 2003 *Once There Were Titans* Kevin F. Kiley, 2007-04-15 The first serious investigation of Napoleon's generals Covers the well known to the relatively obscure Provides a fresh insight into the period This is a masterly study of generalship in Napoleon's Grande Armee Napoleon arguably

had the greatest collection of military talent to ever serve one man working for him during the period 1800-15. The role of the Marshals of the Empire has been covered many times and due credit is also given to them here; however, for the first time Kevin Kiley also examines in depth the contribution of the generals who never made that rank. Fifty-two general officers are examined using the battles they fought to illustrate just how valuable they were. From Marengo in 1800 to Ligny in 1815, both French victories and defeats are studied in meticulous detail, each chapter covering a battle fought and the generals who commanded them. Diverse source material has been consulted in the preparation of this volume, including after-action reports, memoirs, and correspondence from officers including Senarmont, Eble, Drouot, Teste, Marmont, and Davout, as well as from lesser-known characters such as the artillerymen Boulart and Nol and the Polish cavalryman Niegolewski, who led the final dash up the pass of Somosierra. Furthermore, those closest to Napoleon, such as Fain and Marchand, give their piece and provide invaluable information. Taken individually, this material paints a vivid picture of the Grande Armée and those who led it into battle. Taken as a whole, it provides an invaluable source and tells the story of the officers without whom Napoleon could never have achieved as much.

Recognizing the quirk ways to get this ebook **Napoleons Elite Cavalry** is additionally useful. You have remained in right site to begin getting this info. acquire the Napoleons Elite Cavalry join that we offer here and check out the link.

You could purchase lead Napoleons Elite Cavalry or get it as soon as feasible. You could speedily download this Napoleons Elite Cavalry after getting deal. So, next you require the ebook swiftly, you can straight acquire it. Its therefore certainly easy and in view of that fats, isnt it? You have to favor to in this appearance
