Judd, 2017-05-31 The tip of the Dingle Peninsula at the westernmost edge of Europe is one of Ireland's most isolated regions For millennia it has also been a hub for foreign visitors its position made it a medieval centre for traders and the wildness of its remote landscape has been the setting for spiritual pilgrimage This seeming paradox is what makes Dingle and its western hinterland unique the ancient native culture has been preserved while also being influenced by the world at large This rich heritage is best understood by chatting with the people who live and work here But how many visitors get that opportunity Starting with Dingle town Felicity Hayes McCoy takes us on an insiders tour of the region interviewing locals along the way ranging from farmers postmasters and boatmen to museum curators radio presenters and sean nos singers A resident for the last twenty years Felicity offers practical information and advice as well as cultural insights that will give any visitor a deeper understanding of this special place      *The Publishers Weekly*, 1998      **Whitaker's Books in Print**, 1998      *Paperbacks in Print*, 1975      *Forthcoming Books* Rose Arny, 2001-06      **Subject Guide to Children's Books in Print, 1996** R R

**Deep** Sandra Ireland, 2019-06-11 A twisty and propulsive read this dark psychological thriller of sibling rivalry love betrayal and the dire consequences of family fallout brilliantly plays on our fears of loneliness and abandonment harkening to the modern gothic bestsellers by Ruth Ware and Liz Nugent Is a story ever just a story Mac a retired academic and writer is working on a new collection of folktales inspired by local legends and at the insistence of her only child Arthur she hires a young assistant Lucie to live in a cottage on her property and help her transcribe them What Arthur doesn't know is that his mother is determined to keep the secrets of her past from ever being discovered And what Mac doesn't know is that Lucie has a few complicated secrets of her own The creaking presence of an ancient water mill next to Mac's property that used to grind wheat into flour serves as an eerie counterpoint for these two women as they circle warily around each other haunted by the local legend of two long dead sisters ready to point accusing fingers from the pages of history This atmospheric page turner evocatively gives voice to the question What happens when you fall in love with the wrong person      *Kliatt Young*
