

The background of the book cover is a composite image. The upper half features a close-up of a woman's face, focusing on her large, light blue eyes. The lower half shows a beach scene with a long pier extending into the ocean under a cloudy sky. In the foreground, a black bicycle is parked on a paved path next to a metal railing.

## Over The Edge Center Point Christian Mystery:

*Between Philosophy and Theology* Dr Christophe Brabant, Prof Dr Lieven Boeve, 2013-06-28 Long past the time when philosophers from different perspectives had joined the funeral procession that declared the death of God a renewed interest has arisen in regard to the questions of God and religion in philosophy The turn to secularization has produced its own opposing force Although they declared themselves from the start as not being religious thinkers such as Derrida Vattimo Zizek and Badiou have nonetheless maintained an interest in religion This book brings some of these philosophical views together to present an overview of the philosophical scene in its dealings with religion but also to move beyond the outsider's perspective Reflecting on these philosophical interpretations from a fundamental theological perspective the authors discover in what way these interpretations can challenge an understanding of today's faith Bringing together thinkers with an established reputation Kearney Caputo Ward Desmond Hart Armour along with young scholars this book challenges a range of perspectives by putting them in a new context
