Lewis,2022-07-05 Forgiveness Confronts Race Relationships and the Social Volume V of Vernon Press s The Philosophy of Forgiveness series is an exercise in listening Listening to others and not just waiting for

### **Reclaiming Your Land**

Shari Lordi,2017-06-29 As I was approaching my mid forties I was as weary and broken as a human being could be Living in bondage for several years had taken its toll on me I was barely existing Although the Spirit of God was always with me I was unable to gain a breakthrough until I finally and totally surrendered ALL to the Lord Jesus Christ When I let go of everything regardless of what the outcome could or would be was when the miraculous began to take place and happen in my life The Holy Spirit used simple and practical elements in nature to impart deep and life changing revelation into my soul One of the most powerful breakthroughs I received was given to me through the revelation of the metamorphosis process that butterflies go through It was through that journey that the blinders began to slowly fall off Born into a fallen world we must have a transformation experience through the redemption and shed blood of Jesus Christ Just as the butterfly goes through that very painful transition from what was to what is to be from the old man to the new creation we as children of God must also go through this process Liberation is beautiful and so worth the process Remember once a caterpillar transforms from crawling on the ground to a beautiful butterfly soaring through the air he can never go back He is a new creation Not a perfect creation but a new creation You can be Free Jesus really does love You

Brian Adams,Sid Roth,2012-07-17 Power Up Today You can be healed through the power of forgiveness Supernatural healing is available Faith moves God but forgiveness releases His power When you chose to forgive you break the legal right the devil has to torment you mentally physically and financially The Kingdom of God is peace righteousness and joy this is the atmosphere God intends for you When you refuse to forgive you are turned over to satan s tormentors until the debt has been paid Fear has torment therefore fears phobias sicknesses and pains are given rights to inflict your body mind and finances But through repentance and forgiveness you can be healed and set free now Deep discussions include unforgiveness toward Self Others God The Power of Forgiveness is a concise manual about supernatural healing that explores the connection between forgiveness and physical emotional and spiritual healing This revelation forever changed the author s personal life

and his ministry The many modern day true life stories of those healed through the power of forgiveness inspire a deeper level of intimacy with Father God Overcoming the Spirit of Offense Anita McCall,2016-09-16 Overcoming the Spirit of Offense exposes how the spirit of offense has not only infiltrated the body of Christ but how it has damaged the bride and has kept her from fulfilling her destiny and purpose Because of the invisible wounds that she has suffered she walks without much power The book helps the reader to be able to see and recognize how the spirit operates and it teaches how to come in the opposite spirit called love in order to get free It is fully equipped with scripture for validation and real life situations and testimonies that help the reader with their own similar situations There are testimonies that not only inspire the reader but also challenge them A testimony of a young woman named Julia will leave the reader in awe of the Fathers heart and what He can do when we choose to love instead of being offended This teaching has been used to minister to hurting pastors and prophets drug addicts and broken women and when they choose to forgive the offender they are almost always completely healed both physically and emotionally It has been used to teach the unbeliever about the love of God the price that Jesus paid and how the enemy pestered them through offense This is a teaching that bears fruit Destroying Diabloical
