Harvard Business Review has sorted through hundreds of articles and selected only the most essential reading on each topic. Each title includes timeless advice that will be relevant regardless of an ever-changing business environment. **Vanity Fair**, 2015. **The Little Guide to Abba** Orange Hippo!, 2022-05-26. ABBA blasted their way onto the global pop scene with a Eurovision Song Contest win in 1974. The song "Waterloo" the band's tenth single was a top 10 hit around the world and spurred them on to enormous chart success with singles then albums then compilations selling in the millions. They truly conquered the world recording, touring, performing, and entertaining huge crowds everywhere they went. But after less than a decade the dream was fading and they went their separate ways, seemingly never to record together again. The superstardom was over, but their music continued to be popular, and in every decade that passed the question was asked: will ABBA ever reform? The answer was always no; they even allegedly turned down a billion-dollar tour until the late 2010s when rumours and announcements abounded, and finally to enormous global fanfare the band revealed that a new 10-track album would be released in November 2021 and a virtual avatar tour would take place in from May 2022. Fans went wild. The Little Guide to ABBA celebrates everything the super-Scandinavian pop group represents: brilliant pop music, 70s style influence on hundreds of subsequent acts, and an enduring legacy. **SAMPLE QUOTE** "I had a dream and it was fulfilled by meeting with Benny Bjorn and Agnetha Anni Frid Lyngstad." **SAMPLE FACT** ABBA Gold is the 2nd bestselling album of all time.
