I Am A Sinner I Am Forgiven Micah Nelson,2024-10-14 This is a work of Non fiction The author is the main character and everything he has written is true to the best of his recollection Anything he may have questioned the accuracy of was given over to his wife and son for fact checking until their approval was received Permissions for inclusion were also sought if thought to be needed I Am A Sinner I Am Forgiven is a book about a family overcoming long periods of separation and short periods of quarantine Read about how Andrea and Julian had to go without Micah as he prevails over seemingly unreal amounts of adversity and then tries to continue being a good family man who would eventually accomplish writing this book

Regulating Gig Work Joellen Riley Munton,Michael Rawling,2023-12-12 Digital revolution demands new approaches to regulating work The Uberisation of work is not in reality a new phenomenon It reintroduces the practices of on demand engagement of labour common prior to the development of continuing employment What is new however is the capacity of digital technology to engage labour in ways that avoid characterisation as employment according to the legal tests developed in the 20th century This book tackles the challenge of ensuring that the emerging tribes of gig workers in labour markets across the globe are afforded decent standards of work This book discusses how to provide decent conditions

and safe working standards for on demand workers engaged through digital platforms It interrogates the rise of gig work and the legal strategies that might be engaged to deal with the risk that on demand work will fall and remain outside of employment protections It draws on observations of practices across the globe but focusses particularly on regulatory solutions developed in Australia The book will be a useful reference to policy making and legal reforms to address

vulnerabilities of gig workers

Levels of Ambition Alex Pierce,2026-01-01 Ambition is both a gift and a curse A gift because it can elevate a human being from survival to greatness A curse because it never lets its bearer rest To live with

ambition is to live with a fire that refuses to go out Today s culture often praises comfort and convenience as the highest

achievements of modern life We are told that happiness is found in safety in stability in the warm embrace of the familiar Yet

history has always belonged to the ambitious Civilizations rise on the backs of restless visionaries Revolutions ignite because

someone refused to accept the world as it was Every invention that shaped human progress began with the question What if

there is more Ambition unsettles the comfortable and comforts the unsettled It is both praised and feared celebrated and

condemned Too often ambition is mistaken for greed or vanity In truth it is the universal force that compels growth Levels of

Ambition is not another motivational book about thinking big It is a psychological expedition through the hidden stages of

human drive Through gripping stories drawn from history science and the modern world Alex Pierce reveals how scarcity

comfort and achievement each rewrite the rules of ambition and how most people become trapped long before they ever

realize it For more information visit www.CursedWithAmbition.com
