The 10 Deadly Sins Of A Product Launch Dr. Ope Banwo, The 10 Avoidable Mistakes Of A Product Launch That Will Cost You Money. Destroy Your Brand Credibility And Make You Cry. how to turn them around for a 6 figure product launch online. I am glad to share important knowledge on 10 deadly sins of the 6 figure product launch. In this course we're going to be talking about the avoidable mistakes of a product launch that will cost you money, destroy your brand credibility and literally make you cry. These are lessons I learned from my very first product launch where we made 365 000 in five days and yet I still ended up crying like a baby because I made so many cardinal sins during that product launch. We could have made a million dollars easy in that five day period but I ended up in tears at the end of the day because the mistakes were just too many. We were lucky we still ended up with 365 000. Many people who had to go through the same mistakes basically died up in the marketplace and they could never rise again. I will encourage you to get this book if you want to be in the product launch business if you want to launch a product either as an internet marketer, a business owner or an entrepreneur all this applies
