Instagram Reels Marketing Dwayne Anderson,2020-10-17 Instagram Reels Marketing Instagram Reels Is The Latest Addition In The Top Marketers Social Media Marketing Arsenal If you haven t heard about it or are confused about how to get started we re here to help Everything you need to know is right here This Is An Excellent Opportunity To Learn How To Get Started With Instagram Reels Marketing To Interact With A Wider Audience Fuel Your Branding Endeavors And Help Brands Cash Upon More ROI Instagram Reels is the latest format of Instagram Stories that can be used to create and share 15 second video clips either with your followers or if you have a public account with the larger Instagram community via the Explore page And since video content is all the rage now top brands are using Instagram Reels for business marketing by sharing short video content to convey their branding and advertising messages on the Explore page as well as with followers to gain massive traction As it rolled out to the majority of users in August 2020 this feature is being made available across 50

countries including the U S making it an impeccable platform to interact with audiences and fuel your branding endeavors. The timing is also fortuitous given TikTok's uncertain future in the U S as the Trump administration weighs either banning the Chinese owned app entirely or forcing it to sell off its U S operations. To put this further into perspective let's take a look at a few stats. The average time spent on Instagram increased by 3.5% since the launch of Instagram Reels. For Example Some published data reflects recent development as follows. Two thirds of the NBA's franchises have posted at least one Reel since the feature launched in the United States. The Los Angeles Lakers top the league in engagement on Instagram Reels with more than 385,000 engagements and more than 4.1M plays on a single video. Louis Vuitton averages 7M views on each Reel and are still increasing. Sephora France gets more than 453K views on each Reel and more. That is great news for businesses that want to survive and thrive despite the challenging economic conditions. So here we are with our Awesome course Instagram Reels Marketing. This guide will discuss why Instagram Reels Marketing is important for your business as well as the process of creating attention grabbing sales oriented videos on them and all the answers about utilizing this platform. Instagram is at the heart of global digital culture having made selfies filters and square frames an inescapable part of everyday life since it was launched in 2010. In the first book length examination of Instagram Tama Leaver, Tim Highfield and Crystal Abidin trace how this quintessential mobile photography app has developed as a platform and a culture. They consider aspects such as the new visual social media aesthetics, the rise of Influencers and new visual economies and the complex politics of the platform as well as examining how Instagram's users change their use of the platform over time and respond to evolving features. The book highlights the different ways Instagram is used by subcultural groups around the world and how museums, restaurants and public spaces are striving to be Insta worthy. Far from just capturing milestones and moments the authors argue that Instagram has altered the ways people communicate and share while also creating new approaches to marketing, advertising, politics and the design of spaces and venues. Rich with grounded examples from across the world from birth pictures to selfies at funerals Instagram is essential reading for students and scholars of media and communication. On Display John D. Boy, Justus Uitermark, 2024 Two billion people around the world use Instagram On Display examines how a platform that is unfailingly polished and ruthlessly judgmental shapes us and our environments Instagram has a reputation for shallowness but the ongoing self presentation it demands confronts users with profound dilemmas as it compels them to do serious soul searching What do we want to show of ourselves Who are we What do we want to be On Display is a book about how people remake their worlds through social media It examines how personalities relations social movements urban subcultures and city streets change as they are represented on Instagram Through computational analysis the authors reveal how Instagram is implicated in social inequalities while interviews and ethnographic vignettes provide an intimate account of the desires and anxieties that animate the platform Whereas many have argued that social media promote polarization On Display shows that this is not so for Instagram its users are embedded in large and diverse networks compelling them to take many often contradictory expectations into account Existing theories about social media are often a

poor fit for Instagram The authors propose a new perspective social media are stages for status displays rather than public spheres for the exchange of arguments **Instagram** J.
