*Apple Watch Tips & Tricks: Unlocking the Amazing, Time Saving Potentials & Fun Features in WatchOS 6 (The Simplified Manual for Kids and Adults)* Dale Brave, 2019-12-13 Apple Watch Series 5 is the latest Smartwatch in the Apple lineup. It offers several unique features to make the users more active and better monitor their health among several other great features for humanity. This high end Smartwatch could be useful for business users including improved travel notifications and call capabilities. The Apple Watch looks pretty attractive right. You must have read and heard about the exciting features like monitoring your ECG and heart beat rate, fitness and exercise location navigation and many more. As amazing as all the new features are, it's not quite as easy to use like an iPhone or iPad. The lack of buttons, the smaller screen and general UI can make a frustrating initial experience. To make things simple, Author Dale Brave has exclusive tips and tasks you can achieve with your new Apple Watch Series. This book has exclusive tips and in depth tutorials.

Jhale Binjeh, 2019-12-13 Apple Watch Series 5 is the latest Smartwatch in the Apple lineup. It offers several unique features to make the users more active and better monitor their health among several other great features for humanity. This high end Smartwatch could be useful for business users including improved travel notifications and call capabilities. The Apple Watch looks pretty attractive right. People have told you all about the cool features like if you fall or are in danger, it would automatically call for help on your behalf. They've told you about how you can send a text from your wrist, how you can make a phone call and many more. As amazing as all the new features are, it's not quite as easy to use as an iPhone. The lack of buttons, the smaller screen and general UI can make a frustrating initial experience. It looks nothing like the iPhone or iPad interface you are used to, except for a handful of icons.
