The China Dream Jonathan A. Krane, 2022-05-03 WALL STREET JOURNAL BESTSELLER An American corporate executive's paean to 21st century China and a call for doing business there Kirkus Reviews Many people do not have a full understanding of China today yet it has created the greatest economic transformation in history Since the early 1990s hundreds of millions of people have moved to cities in China where they gain access to better schools health care and infrastructure as well as higher paying jobs China's GDP has grown from 300 per capita to more than 10 000 in the past 30 years and lifted more people into the middle class than in any other country at any other point in human history It is important for investors US companies and anyone interested in the global economy to understand China China is rapidly shifting from an export driven low cost manufacturer to a consumer driven economy and the wealth of China's 1.4 billion consumers continues to grow As the founder and CEO of KraneShares an asset management company focused on China and headquartered in New York author Jonathan A Krane provides an inside look at China's transformation into a global superpower and explains why the relationship between the US and China is the most critical economic relationship in the world today *The China Dream* is your guide to understanding China's unmatched economic growth and fully realizing its status as an essential element in any well designed investment portfolio global business and participation in the global economy

Decoding Branding Royce Yuen, 2021-05-31 *Decoding Branding* explains the evolution of branding and how the disrupting factors like digital revolution technological advancement changing consumer behavior and the COVID 19 pandemic have reshaped the marketing landscape Fundamental principles of fostering strong brands are distilled with illustrations of case studies from various industries A structured and holistic framework to building and revamping brands is clearly presented for corporations to remain competitive in this constantly changing operating environment Interviews with branding experts and corporate leaders are featured at the end of each chapter to allow readers to obtain a complete appreciation of brand development from different perspectives

The Business of Aspiration Ana Andjelic, 2020-10-26 *The Business of Aspiration* is about how consumers shifting status symbols affect business and brand strategy These changing status symbols like taste aesthetic innovation curation or environmentalism create the modern aspirational economy In the traditional economy consumers signaled their status through collecting commodities Instagram followers airline miles and busy back to back schedules By contrast in the aspirational economy consumers increasingly convey status through collecting knowledge taste micro communities and influence This new capital changes the way businesses and entire markets operate and yet the modern aspirational economy is still an under explored area in business and culture *The Business of Aspiration* changes that In this book marketers will find examples analyses and tools on how brands can successfully grow in the modern aspirational economy *The Business of Aspiration* answers questions like what is good for my brand long term how is this business decision going to impact our culture or what are the main objectives of our growth

Marketers will learn to shift their brand narrative and competitive strategy to create and distribute new brand symbols and to ensure that their brand's products and services create both monetary and social value *Compute*, 1994 **Business**
