and her boyfriend up for a matchmaking site to prove they're a perfect match only to be paired with her ex instead. High school sweethearts Rita Chitniss and Milan Rao were the golden couple until the day he broke her heart. Now six years later, Rita has turned her passion for furniture restoration into a career and has an almost perfect boyfriend Neil. The last thing she needs is for Milan to re-enter her life, but that's exactly what happens when her mother, an unfailing believer in second chances, sets them up. Milan is just as charming, cocky, and confident as he was back in school. Only this time he actually needs her business expertise, not her heart, to flip a hard-to-sell house for his realty agency. While Rita begrudgingly agrees to help, she's not taking any risks. To prove she's definitely over him, she signs herself and Neil up on MyShaadi.com, a Desi matchmaking site famous for its success stories and trustworthy enough to convince everyone that she and Neil are the new and improved couple. Instead, she's shocked when MyShaadi's perfect match for her isn't Neil; it's Milan. Ignoring the website and her mother is one thing, but ignoring Milan proves much more difficult, especially when she promises to help him renovate the beach house of her dreams. And as the two of them dive deeper into work and their pasts, Rita begins to wonder if maybe her match wasn't so wrong after all.
