

A hand holding a black remote control is positioned in the foreground, pointing towards a television screen. The screen displays the word "NETFLIX" in large, bold, orange capital letters against a black background. The television is placed on a light-colored wooden surface. To the left and right of the television are two potted plants in terracotta pots. The background is a plain, light-colored wall.

EBOOK: International Marketing, 5e Pervez Ghauri, Philip Cateora, 2021-08-16 In its 5th edition International Marketing guides students to understand the importance of international marketing for companies of every size and how going international can enhance value and growth. It provides a solid understanding of the key principles and practices of international marketing. The text has been thoroughly updated to reflect the most recent developments in the current business environment and encourages students to critically engage with the content within the context of modern life.

Key Features

- A new chapter dedicated to Digital and Social Media Marketing
- Fully updated pedagogy including Going International vignettes and End of Chapter questions
- Brand new examples and case studies from global and innovative companies including Red Bull, Gillette, and Audi
- Now includes Interactive activities, Testbank questions, and Quizzes available on Connect International Marketing

International Marketing is available with McGraw Hill's Connect, the online learning platform that features resources to help faculty and institutions improve student outcomes and course delivery efficiency. International Marketing continues to be an essential subject in any business or management degree.

Ghauri and Cateora's book, now in its fifth edition, provides a most up-to-date and authentic evolution of the subject. George S. Yip, Emeritus Professor of Marketing and Strategy, Imperial College Business School, Professor Pervez Ghauri teaches International Business at Birmingham Business School. He is Founding Editor for International Business Review (IBR) and Consulting Editor for Journal of International Business Studies (JIBS). Philip R. Cateora is Professor Emeritus at the University of Colorado. His teaching spanned a range of courses in marketing and international business from fundamentals through to doctoral level.

The Strategy and Tactics of Pricing

Thomas T. Nagle, Georg Müller, 2017-11-20 The Strategy and Tactics of Pricing explains how to manage markets strategically and how to grow more profitably. Rather than calculating prices to cover costs or achieve sales goals, students will learn to make strategic pricing decisions that proactively manage customer perceptions of value, motivate purchasing decisions, and shift demand curves. This edition features a new discussion on harnessing concepts from behavioral economics as well as a more streamlined value cascade structure to the topics. Readers will also benefit from major revisions to almost half of the chapters, including an expanded discussion of big data analytics and a revised chapter on Specialized Strategies which addresses timely technical issues like foreign exchange risks, reactions to market slumps, and managing transfer prices between independent profit centers. A completely rewritten chapter on Creating a Strategic Pricing Capability shows readers how to implement the principles of value-based strategic pricing successfully in their organizations. In chapter textboxes, updated to provide walk-through examples of current pricing challenges, revenue models enabled by an increasingly digital economy and advances in buyer decision making are explained through classic principles that still apply today. Chapter summaries and visual aids help readers grasp the theoretical frameworks and actionable principles of pricing analysis. This comprehensive managerially focused text is a must-read for students and professionals with an interest
