Hiring Manager's Name:
Company Address:

Dear (Insert name),

I am a successful CEO with a track record of growing businesses and increasing revenues. I am a strong leader who can drive growth and innovate, while motivating staff through clear business goals and vision.

I believe I'm suitable for this role because I can add significant value:

- **Leadership** – I led the global development and deployment of a Customer Success model and a cross-sell model which leveraged existing customer relationships to sell additional solutions. This resulted in adding more than 25% revenue in the first year.
- I have a personal leadership style which generates respect, trust and commitment which I combine with my drive for organisational strategy that moves the business forward.
- **Financial Management** – I have a deep understanding of strong financial business management. I have managed P&Ls for a third of the global business of Demata, ensuring that business decisions are rooted in sound financial knowledge. This has resulted in top line revenue growth of more than 40% and profitability by 200% over the last 3 years.
- **Innovation** – I have a successful track record of developing innovative ways of working to improve the Customer journey and to develop a more agile and collaborative internal methodology. This has led to a more Customer-centric focus increasing retention and reducing churn.

I would welcome the opportunity to meet to discuss the contribution I could make to this role, and to your overall organisation, and I hope to hear from you in due course. Please contact me at my telephone number or email address to find time for us to meet in person.
