**Theory Reader** Mark J.P. Wolf,Bernard Perron,2013-10-08 In the early days of Pong and Pac Man video games appeared to be little more than an idle pastime Today video games make up a multi billion dollar industry that rivals television and film The Video Game Theory Reader brings together exciting new work on the many ways video games are reshaping the face of entertainment and our relationship with technology Drawing upon examples from widely popular games ranging from Space Invaders to Final Fantasy IX and Combat Flight Simulator 2 the contributors discuss the relationship between video games and other media the shift from third to first person games gamers and the gaming community and the important sociological cultural industrial and economic issues that surround gaming The Video Game Theory Reader is the essential introduction to a fascinating and rapidly expanding new field of media studies

### **Digital Degrowth** Michael Kwet,2024-08-20

A fascinating book that takes degrowth in new directions Jason Hickel author of Less is More A must read for anyone who wants to know the brutal truth of digital colonialism driven by the American empire Kohei Saito author of Slow Down The world is racing toward an irreversible ecological catastrophe Environmental science makes clear that humans must reduce total material resource use requiring a radical redistribution of wealth within and between countries Yet little attention has been paid to how the digital economy fits into this equation Michael Kwet a leading expert on digital colonialism presents a new paradigm for the digital society Merging the science of degrowth with a global analysis of the high tech economy he argues that digital capitalism and colonialism must be abolished quickly In Digital Degrowth Kwet maps out a path to a people s tech future He calls for direct action against Silicon Valley US imperialism and power elites everywhere in order to realize a radically egalitarian digital society that fosters equality in harmony with nature
