Handbook on the New Testament Use of the Old Testament G. K. Beale, 2012-09-01 This concise guide by a leading New Testament scholar helps readers understand how to better study the multitude of Old Testament references in the New Testament G K Beale coeditor of the bestselling Commentary on the New Testament Use of the Old Testament focuses on the how to of interpreting the New Testament use of the Old Testament providing students and pastors with many of the insights and categories necessary for them to do their own exegesis Brief enough to be accessible yet thorough enough to be useful this handbook will be a trusted guide for all students of the Bible This handbook provides readers with a wonderful overview of key issues in and tools for the study of the use of the Old Testament in the New I expect it to become a standard textbook for courses on the subject and the first book to which newcomers will be directed to help them navigate through these sometimes complex waters Roy E Ciampa Gordon Conwell Theological Seminary **Books in Print**, 1991 A Modern Jewish Perspective on the Gospel of John Charles David Isbell, 2022-06-08 Did Jesus really call the Jews of his day children of the devil Would he label Jews of today the same way Did the Jews kill Jesus and then violently expel from the synagogue anyone who accepted him as a promised Messiah The Christian church has found answers to these and other similar questions in the Gospel of John But Jewish readers are justifiably offended by many of John s answers The eleven essays offered here present facts everyone should know They are written by a modern Jewish scholar responding to troubling questions about John raised over a period of more than forty years by his university students by congregants in synagogues he has served as spiritual guide rabbi and by Christian colleagues with whom he has worked throughout his long career Designed to engage thoughtful readers from every religious background these essays encourage questions and suggest plausible answers to the problems in John by illustrating the difference between the answers of John and the facts of history They also compare John s Jesus with the teachings of the modern church about the treatment of others love for all humanity and the wholeness of body and spirit **Ancient Jewish Diaspora** René Bloch, 2022-09-19 In the Hellenistic period Jews participated in the imagination of a cosmopolitan world and they developed their own complex cultural forms In this panoramic and multifaceted book Ren Bloch shows that the ancient Jewish diaspora is an integral part of what we understand as Hellenism and argues that Jewish Hellenism epitomizes Hellenism at large Relying on Greek Latin and Hebrew sources the fifteen papers collected in this volume trace the evidence of ancient Jews through meticulous studies of ruins literature myth and modern reception taking the reader on a journey from Philo s Alexandria to a Roman bust in a Copenhagen museum **Blasphemy and Exaltation in Judaism and the Final Examination of Jesus** Darrell L. Bock, 1998 Darrell L Bock examines the historical cultural background to one of the most significant moments in religious history the final Jewish examination of Jesus as presented in Mark 14 61 64 He traces the history of interpretive debate surrounding this controversial text and notes that a consensus is emerging that the key statement is the discussion of exaltation using Ps 110

1 and Dan 7 13 So the author engages in two detailed treatments of the themes of blasphemy and exaltation within Judaism He works from the Hebrew Scriptures all the way through the rabbinic materials including both Talmuds and the Midrashim The study represents the first thorough treatment of blasphemy from this material and examines over 150 texts on this theme Particular attention is given to whether blasphemy is merely verbal misuse of the divine name or can include the presence of certain statements or acts that are deemed offensive to God s honor It is noted that these additional categories exist in the culture and are present in a variety of texts that are contemporaneous to the period with examples from Josephus and Philo being predominant Then the attention turns to the theme of exaltation A specific concern here is who gets to go directly into God s presence What do they do How long are they there Are there obstacles to their presence Is there opposition to these kinds of portrayals Here the key texts include the Exagoge of Moses the Enoch Son of Man portrait of 1 Enoch and the Metatron portrait of 3 Enoch This background is then applied to the study of Mark 14 first as an expression of Mark s message and then to the historical portrait of the scene

**Blasphemy and Exaltation in Judaism** Darrell L. Bock, 2016-06-15 Why Jesus was put to death remains a pivotal issue in New Testament scholarship The Marcan account of the Jewish examination of Jesus lies at the heart of the debate Darrell Bock defends the historical cultural veracity of Mark s portrayal through a careful study of the Jewish views on blasphemy and exaltation *Letter & Spirit, Volume 3* Scott Hahn, 2007-09 This is the third annual volume of the remarkably popular journal of biblical theology edited by Dr Scott Hahn This volume features important contributions by Pope Benedict XVI Cardinal Christoph Schonborn and Cardinal Avery Dulles Also included are original and thought provoking contributions on such topics as the biblical basis of indulgences feminine and maternal images of the Holy Spirit in early Christianity and the image of God doctrine in St Thomas Aquinas writings Hahn contributes a deep exploration of how the Gospel of Luke portrays Christ as the Davidic Messiah and the Church as the restoration of the Davidic kingdom *Rare & Unusual Books: Anglo-Judaica, Palestine, Israel, Zionism* A.
