Committee on the Judiciary. Subcommittee on Antitrust, Competition Policy, and Consumer Rights,2012 *Going Public* Dakin Campbell,2022-07-26 A behind the scenes tour of the high stakes world of IPOs and how a visionary band of startup executives venture capitalists and maverick bankers has launched a crusade to upend the traditional IPO as we know it GOING PUBLIC is a character driven narrative centered on the last five years of unparalleled change in how technology startups sell shares to the public Initial public offerings or IPOs are typically the first time retail investors can own a piece of the New Economy companies promising to rewire economic rules Selling IPOs is also one of the most profitable businesses for Wall Street investment banks who have spent the last 40 years protecting their profits In an era when algorithms and software have made the financial markets more efficient the pricing of IPOs still relies on human judgment In 2018 executives at music streaming service Spotify sought to upend the status quo Led by a trim and understated CFO Barry McCarthy and a shy but brilliant founder Daniel Ek they took a wild idea and forged something new GOING PUBLIC explores how they got comfortable with the risk and how they lobbied securities watchdogs and exchange staff to rewrite the regulations Readers will meet executives at disruptive companies like Airbnb DoorDash venture capitalists and even some bankers who seized on Spotify's labor and used it to knock Wall Street bankers off the piles of fees they'd been stacking for so long GOING PUBLIC weaves in earlier attempts to rethink the IPO process introducing readers to one of Silicon Valley's earliest bankers Bill Hambrecht whose invention for selling shares online was embraced by Google founders Larry Page and Sergey Brin when they auctioned their shares in 2004 And it examines the recent boom in blank check companies those Wall Street insider deals that have suddenly become the hottest way to enter the public markets GOING PUBLIC tells stories from inside the room and more

[Regulating Access and Transfer of Data](#) Björn Lundqvist,2023-04-13 Data collected and distributed on the internet is generally free non exclusive and non rivalrous Yet online data is often difficult to access This book examines the infrastructure for collecting storing and distributing data to show how it is embedded behind intellectual property and technological barriers It proposes that the EU introduce an access and transfer governance right to data that can work in tandem with data protection rules Chapters explore the subject matter of this protection potential rights holders and the scope of the protection and exceptions and limitations under intellectual property law and competition law

Comprehensive and timely Regulating Access and Transfer of Data sets the foundations for a new legal system for our data driven generation *Crafting and Executing Strategy* Alex Janes,Ciara Sutton,2017-02-16 This new edition of Crafting and Executing Strategy continues to provide a valuable resource for European readers while embracing new and updated core concepts and key theories in strategy Throughout the text you will find a range of examples that illustrate how strategy works in the real world and encourage the practical application of learning Complementing the chapters is a section of new

cases providing in depth analysis of the challenges of strategic management at a range of companies. This edition includes A new 6Ds framework allowing readers to structure their approach to strategic management around the fundamental elements of the strategy process: Diagnosis, Direction, Decisions and Delivery and the context within which that process is managed. Dynamism and Disorder. Opening cases that begin each chapter and feature real life business scenarios from companies such as Tinder, Ikea and Victorinox introducing strategic concepts and theories. Illustration Capsules which have been updated to illustrate contemporary business concerns and demonstrate how companies have reacted strategically, increasing understanding of successful strategies. Companies featured include Burberry, TOMS, Aldi, Novo Nordisk and more. Key Debates that stimulate classroom discussion and encourage critical analysis. Emerging Themes that present contemporary strategic opportunities and issues such as ripple intelligence and technology and new organizational structures. A Different View encouraging readers to appreciate differing viewpoints on strategic concepts and theories. End of chapter cases that capture each chapter's main theories through engaging cases on companies such as Adidas and Nike, Lego and Uber. New recommended reading at the end of each chapter which help to further knowledge including classic texts and advanced reading and author notes providing context. Connect is McGraw Hill Education's learning and teaching environment that improves student performance and outcomes while promoting engagement and comprehension of content. New for this edition are interview style videos featuring author Alex Janes in discussion with business leaders exploring how organizational strategy has developed within companies as diverse as Jeep, Levi Strauss, Novo Nordisk and a prestigious oil and gas company. The videos are provided in full length or in segments with questions aimed at encouraging classroom discussion or self testing. This new edition is available with SmartBook McGraw Hill Education's adaptive digital tool that tests students' knowledge of key concepts and pinpoints the topics on which they need to focus study time. Crafting and Executing Strategy is also available with both The Business Strategy Game and GLO BUS the world's leading business strategy simulations.

Contextual Pricing: The Death of List Price and the New Market Reality Robert Docters, Michael Barzelay, John G. Hanson, Cecilia Nguyen, 2011-10-19. A REVOLUTIONARY NEW PERSPECTIVE ON HOW PRICING REALLY WORKS.

Contextual Pricing delivers a knock out punch to complacent and low return pricing approaches. This book is full of intriguing fresh insights which will expand your perspective on what is possible in maximizing revenue from your company's products and services. Mark Greatrex Chief Marketing Officer Cox Communications and former SVP Global Still Beverages The Coca-Cola Company. To effectively price, managers must understand market context, the frame of reference for buyers. Context is far more important than the usual measures of price variation. I strongly recommend this readable and useful book to any business leader who suspects his or her company is falling short of achievable revenues. Dave Calhoun Chairman and CEO Nielsen Company and former Vice Chairman General Electric Company. About the Book: A few leading companies have jettisoned ideas about pricing that other companies believe are indispensable. The result has been superior performance.

against competitors who persist in a simplistic 1990s belief in value Contextual Pricing describes how buyers are influenced by comparison points and contextual messages more than by actual price levels Identical products can sell at radically different prices to the same target customer if context is strategically managed This fact is how Procter Gamble GE Coca Cola Company Amazon Google Microsoft and others make sure they get the best possible price The use of context is changing the way companies price and sell in the new global economy This readable and market tested book describes the contextual pricing perspective how it is being used in B2B and B2C markets and how you can make the shift to contextual pricing in your own business Whether you're a CEO P L manager marketing director sales manager or entrepreneur Contextual Pricing shows you how to Understand how your customer will make buying decisions and the role of pricing in those decisions Establish better more intuitive prices using context Develop contextual pricing strategies that defeat competitor pricing how contextual pricing can be the antidote to destructive price wars Harmonize your pricing with branding product development and channel strategies Increase your profits with proven pricing tools such as scientific bundling tiering branding upsell hooks and more Through its illuminating case by case studies Contextual Pricing delivers a wide range of pricing techniques and customer insights that you won't find anywhere else You'll learn how to avoid common pitfalls when raising or lowering prices and discover how you can compete in traditional or emerging digital marketplaces and beat the competition through superior tactics not through lower margins When you know the secrets of Contextual Pricing you can name your price drive your sales increase your profits and own your success **The Deal** ,2010

Human Ecology ,2016 *The Healthcare Mandate: How to Leverage Disruptive Innovation to Heal America's Biggest Industry* Nicholas Webb,2020-09-08 A top healthcare futurist and consultant shows healthcare professionals and

stakeholders how to redirect resources and leverage innovation to improve wellness and lower costs Despite being the wealthiest nation on earth the United States spends much of its healthcare money and resources pursuing the wrong goal curing people after they get sick In this provocative book Nicholas J Webb charts a bold new path that puts the focus not on reactionary treatment but on anticipation and prevention Webb argues that we have a unique opportunity to leverage

disruptive innovation to fulfill these goals Emerging digital technologies now make it possible to collect analyze and act upon the enormous quantities of health related data that every individual generates every day This data often foreshadows disease and can alert the healthcare provider to the existence of a life threatening condition before there are any outward symptoms thereby enabling caregivers to pivot from treatment after the fact to anticipation prevention and when necessary reduced treatment to correct a smaller problem This is The Healthcare Mandate a powerful and illuminating guide to the new tools that healthcare professionals can start using right now to See their clients not only as patients to be cured but as constituents to keep healthy Identify and respond to emerging health problems as early as possible Access and share constituent data with other healthcare providers Navigate the increasingly complex world of patient data rights Meet the challenge of non medical online healthcare providers Address constituent lifestyle choices that lead to obesity diabetes and heart disease Respond to the increasing consumerization of healthcare Drawing upon his decades of experience as an industry expert with dozens of medical patents Webb offers a positive and achievable vision for the future of healthcare
