VGC: The 2025 Guide to Video Games 1981 Media Ltd, 2025-05-30 Relive 2024's gaming highs, lows, and industry upheavals with this expertly curated year in review. There's no such thing as a quiet year in video games, and 2024 has been no different. For players, a steady stream of high-profile game releases has meant there's always been something new to play, regardless of what console, handheld, PC, or mobile device they were using. Meanwhile, behind the scenes, 2024 has been one of the most turbulent years in the history of the games industry, with widespread job losses, studio cuts, acquisitions, and other controversies. Video Games Chronicle, the expert source for video game news, has covered 2024's goings-on every step of the way, and this book summarises the entire year in one handy volume. Designed like an old-school games magazine, this book presents the VGC website's best coverage of 2024 in a more traditional format. Our News section takes you through all the major stories that took place throughout the year, allowing you to relive every moment, for better or worse. Our Reviews section contains every notable VGC game review from 2024, remastered and presented to you in physical form. We're big on preservation, you see. Our Features section offers some of our best long-form articles from the past year. Finally, our Previews section takes a look at some of the games coming in 2025. The world of online games media is a fast-moving one, and news and reviews usually arrive at breakneck speed, then disappear from our consciousness to be replaced with the latest stories. With this book, we hope to provide a more permanent summary of the year while also harking back to the days of the games magazines we loved so much.

**Fallout: New Vegas - Strategy Guide** GamerGuides.com, 2015-11-07 The year is 2281, two hundred years after the old world was eradicated by nuclear fire, and now the New California Republic has become powerful along the western coast of what used to be the United States of America. They've expanded east into Nevada, but across the Colorado River to the east, a united army of tribals, Caesar's Legion, have been organized under the guise of ancient Rome. War never changes, and impending conflict looms between the two sides, the prize being the Hoover Dam and control over the Mojave. Stuck in the middle are the residents of Nevada and the jewel in the desert, the city of New Vegas. But the mysterious overlord of New Vegas has his own plans for the future of the Mojave. You are Courier Six, an employee of the Mojave Express who has been entrusted with delivering a mysterious Platinum Chip. The delivery goes horribly awry, however, and after you are robbed and nearly killed for the package you were carrying, you must set out in pursuit of your attackers. Along the way, you'll have to navigate the political struggles between factions, both large and small, making friends and enemies between the various groups, as your actions in the Mojave influence your reputation. Ultimately, a new overlord of the Mojave will be crowned, but will you place that crown upon the brow of Caesar, the New California Republic, the mysterious ruler of New Vegas, or yourself? This guide offers the following: Character creation strategies, including a run-down of SPECIAL attributes, Skills, and Perks. An ideal chronological order of events/walkthrough that will take you through the entire Mojave. Complete walkthrough of all the main quests and side quests, including faction quests and endings.
