 education by doing it yourself The Well Trained Mind will instruct you step by step on how to give your child an academically
 rigorous comprehensive education from preschool through high school one that will train him or her to read to think to
 understand to be well rounded and curious about learning Veteran home educators Susan Wise Bauer and Jessie Wise outline
 the classical pattern of education called the trivium which organizes learning around the maturing capacity of the child s
 mind and comprises three stages the elementary school grammar stage when the building blocks of information are absorbed
 through memorization and rules the middle school logic stage in which the student begins to think more analytically and the
 high school rhetoric stage where the student learns to write and speak with force and originality Using this theory as your
 model you ll be able to instruct your child whether full time or as a supplement to classroom education in all levels of reading
 writing history geography mathematics science foreign languages rhetoric logic art and music regardless of your own
 aptitude in those subjects Thousands of parents and teachers have already used the detailed book lists and methods
 described in The Well Trained Mind to create a truly superior education for the children in their care This extensively revised
 fourth edition contains completely updated curricula and book lists links to an entirely new set of online resources new
