## **Midnight Lantern New And Selected Poems:**

**Midnight Lantern** Tess Gallagher, 2012-03 Tess Gallagher is one of America's leading poets. In *Midnight Lantern* she collects her indispensable work from forty years of writing poetry along with an ample new section written in the west of Ireland. Included in this generous book are Gallagher's signature nocturnes for the changing Pacific Northwest for her tough childhood and for her late husband Raymond Carver and others. Her challenging new work confronts a tumultuous century's worth of art warfare and illness while certifying the stubborn resilience of poetry and love. Astonishing, insightful, mischievous, an inimitable seeing into experience. *Midnight Lantern* is the essential book by a poet in the prime of her power. Gallagher's poems resound with exquisite beauty and remind me once more how it is not subject but its rendering that redeems and uplifts. *Boston Globe* Tess Gallagher's is perhaps the most deeply moving and spiritual and intensely intelligent poetry being written in America today. William Heyen: It is impossible to read Tess Gallagher's poems without being drawn into their mesmerising rhythms and convinced of the rightness of her intense yet unforced images. Joyce Carol Oates: She is outstanding among her contemporaries in the naturalness of her inflection, the fine excess of her spirit and the energy of her dramatic imagination. Stanley Kunitz: *The Oxford Companion to Modern Poetry in English* Jeremy Noel-Tod, Ian

Hamilton, 2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot, Dylan Thomas and Carol Ann Duffy. Authoritative and accessible, it is a must have for students of English and creative writing as well as for anyone with an interest in poetry. **Home** Christian

Wiman, 2021-01-01 Evocative poems and prose fragments about home selected by one of the most celebrated poets of our time. This is a book of longing yes and also spiritual discernment, political awareness, historical memory and deep intimacy. Carolyn Forché: In this poignant collection, Christian Wiman draws together one hundred evocative poems and prose fragments about home, exploring home's deep theological, literary, philosophical, historical, political and social dimensions. Wiman calls home a house, a country, a language, a love, a longing, a grief, a god. It's a word that disperses into more definitions than one book can contain. The tensions between diffusion and concentration, roaming and rootedness, precarity and security are everywhere in this book, often in the same poem. Ranging from early modernism to the current moment and from southern Africa to the Arctic Circle, the selections are as diverse as the poets included. Collectively, they envision an imaginative home for even the most homeless of modern readers. Completed entirely during quarantine amid the miseries of separation and isolation, the collection offers a powerful vision of home as both a place and a way. *New Books on Women and Feminism*, 2014 [New Books on Women, Gender and Feminism](#), 2014 *Bret Harte's select works in prose and poetry, with an intr.*
