inexplicable connection to the story partially fueled by the seemingly impossible similarities between it and his own life But there are others who would desire the powerful pen Price Redmond a vicious bounty hunter is intent on collecting the reward offered by a very prominent politician in exchange for the pen and he will do anything to get it Even as Derek enters into a turbulent romance and fends for his life from the malignant Price he becomes entranced by the manuscript which relates the tale of Gavin a young palace guard in medieval times who stumbles across a mysterious old woman and is entrusted with a quill The two interlocking stories are separated by time and space but nothing can cloak the bonds that have been forged between souls bonds that have resurfaced in the present day and will now either be shattered forever or made stronger And all because of a pen **The Academy and Literature** ,1898 **The Publishers Weekly** ,1887 *The Bookman* ,1895
