

CHRISTINE KOHLER

The background of the cover is a painting of a soldier in silhouette, standing in a trench and looking out over a battlefield. The scene is dominated by shades of green and yellow, suggesting a jungle or tropical environment. A large, dark, curved shape on the right side of the image suggests a trench or a large rock formation. The overall mood is somber and dramatic.

No Surrender Soldier:

No Surrender Hiroo Onoda, 2013-12-04 In the spring of 1974 Second Lieutenant Hiroo Onoda of the Japanese army made world headlines when he emerged from the Philippine jungle after a thirty year ordeal Hunted in turn by American troops the Philippine police hostile islanders and successive Japanese search parties Onoda had skillfully outmaneuvered all his pursuers convinced that World War II was still being fought and that one day his fellow soldiers would return victorious This account of those years is an epic tale of the will to survive that offers a rare glimpse of man's invincible spirit resourcefulness and ingenuity A hero to his people Onoda wrote down his experiences soon after his return to civilization This book was translated into English the following year and has enjoyed an approving audience ever since No Surrender Soldier

Christine Kohler, 2013-12-02 Growing up on Guam in 1972 fifteen year old Kiko is beset by worries He's never kissed a girl the popular guys get all the attention at school but the worst part is the serious problems at home His older brother is missing in Vietnam his grandfather is losing it to dementia and he just learned that his mother was raped by a Japanese soldier during World War II It all comes together when he discovers an old man a Japanese soldier hiding in the jungle behind his house It's not the same man who raped his mother but in his rage Kiko cares only about protecting his family and avenging his mom no matter what it takes And so a shy peaceable boy begins to plan a murder But how far will Kiko go to prove to himself that he's a man Based on a true incident in history *No Surrender Soldier* is the story of a boy grappling with ancient questions of courage and manhood before he can move on No Surrender! William Webb, 2014-07-14 The Imperial Japanese Army deployed hundreds of thousands of Japanese soldiers across the islands across the Southwest Pacific As the Allied island hopping campaign encircled Japan thousands of Japanese soldiers were cut off from their command and were presumed killed in action Faced with a desperate decision between dying in suicidal charges and going into hiding most Japanese soldiers chose suicide The holdouts on the other hand chose to live even if that meant suffering deprivation hardship and shame Most of the holdouts gradually emerged from hiding during the late 1940s and 1950s A few holdouts the most famous of the lot only came down from the mountains ten to thirty years after the war The legacy of the holdouts is a complicated one It would be easy to dismiss men like Yokoi Onoda and Nakamura as fanatic soldiers or simply deluded men That simply was not the case as this book will show **Daily Report, Foreign Radio Broadcasts** United States.
