A Change of Heart at the Vintage Dress Shop Annie Darling, 2024-06-27 I loved this. Fell in love with the characters and loved the camaraderie between the Vintage Dress Shop staff. A lovely summery read. Highly recommend.

Reader review Cressida Collins is the queen of makeovers. With a well placed stitch button or seam she can transform any frock in The Vintage Dress Shop and give customers their Cinderella moment. Like her beautifully organised workroom under the eaves Cress's life away from the shop is just as orderly and mapped out. But when her boyfriend of fifteen years drops a bombshell it explodes all the carefully laid plans Cress had for her future. It's going to take more than needle and thread to put Cress's own life back together. Will she ever be brave enough to say goodbye to her old dreams and start over? But after designing a dress for a customer and transforming her into the woman she always wanted to be Cress realises that it can be fun not to follow a pattern. Then there's her blossoming friendship with Miles a very handsome and very sexy film director. Cress is about to discover that leaving a few loose threads might be the best way to mend her broken heart. A wonderfully uplifting funny and heartfelt summer romance that will whisk you away to the haven of The Vintage Dress Shop. Perfect for fans of Sarah Morgan Heidi Swain and Phillipa Ashley. Everyone is falling in love with A Change of Heart at the Vintage Dress Shop. A fab book. Absolutely loved it. Great to be back in the vintage clothes shop. There are great characters. Reader review **Roll for Love** M. K. England, 2025-04-08 A second chance queer romance about two teens whose in world

D D characters fall in love but in IRL things are more complicated perfect for lovers of Ashley Poston and Becky Albertalli.

Harper Reid's summer is not off to a great start. After the death of her grandpa she moves across the country leaving her friends and Dungeons Dragons group behind. She wasn't exactly planning to start her senior year on the farm where she spent her childhood summers but running into Ollie Shifflet former best friend and first crush makes things much better. When Harper discovers Ollie and her friends are starting a new D D campaign she quickly joins the group. As Harper and Ollie reconnect in the real world romantic tension begins to build between Harper's brash barbarian and Ollie's proud paladin but it's all just part of the game right. Ollie's future depends on keeping her bisexuality private while Harper's dreams

include an out and proud life in their rural town but as their feelings continue to grow with each gaming session their relationship begins threatening everything they've worked so hard to build. As the school year comes to a close and the campaign's final boss looms on the horizon, Harper and Ollie must decide if their feelings are more than just a fantasy. Because if they want a second chance at love, they'll have to fight for it both in game and in real life. **The New York Times Index**, 2009
