## **Memorial Service Poems And Readings:**

**Funeral and Memorial Service Readings, Poems and Tributes** Rachel R. Baum, 2007-11-28 Words can fail even the most articulate when called upon to speak at a loved one's funeral or memorial occasion. The bereaved desires to say something meaningful yet services are often held so quickly that there is little time to find something appropriate at the library or bookstore. This book is a collection of poetry and prose appropriate for reading at a funeral or memorial service. To assist the reader in finding a suitable passage, the book is divided into eleven chapters. There are tributes for mothers, fathers, children, spouses, and soulmates, friends, siblings, and other close relatives, soldiers and victims of war or violence, pets, and general readings appropriate for men, women, or any loved one. These selections will also prove helpful for clergy, counselors, and hospice, hospital, and funeral professionals. Appendices list resources and support organizations, and each selection is indexed by author, title, and first line. A special additional index references pieces by famous uses such as in a film, novel, or celebrity's funeral, so readers can locate a passage they remember from its context.

**Spiritual Readings for Funerals and Memorial Services** Hugh Morrison, 2014-11-24 Nothing is so completely beyond the power of death as a noble love. Parting can shatter only its outward shell. Under that strange touch, love in its inmost recesses kindles and glows with a diviner life. George S. Merriam. Today many people have only a nominal attachment to a religious denomination or faith tradition. Yet at a profound rite of passage such as the funeral of a loved one, they may still wish to hear words of spiritual comfort that are familiar, inspiring, and dignified, and which express some belief in a higher power and a hope in some sense of a life hereafter. This book of 143 poems and short prose readings is suitable for the funeral or memorial service of someone who was perhaps spiritual but not religious, or who did not have a dogmatic faith yet was not opposed to religious ideas. Many of the readings come from the humanistic Christian tradition, expressing hope in the example of Jesus to help us through the darkest times of our lives, and that a spiritual connection with our loved ones can survive death in some way which is ultimately beyond our understanding. There are also readings which are not specifically Christian, and readings from other faith traditions. The readings maintain the familiar traditional style of the King James Bible and the Book of Common Prayer, with the formality and dignity expected of a funeral or memorial service, from some of the world's greatest writers, including Shakespeare, John Donne, Samuel Johnson, Robert Browning, and Anne Brontë, as well as lesser-known but equally inspiring authors.

**Unique Funeral Poems** Dr. Denise Lochrie, 2020-08-09 This little book of thirty-three funeral poems is dedicated to those who have gone before us. It has been written with love in the hope that Celebrants, Ministers, and/or family members will use the poems at funeral and memorial services when they unite to say farewell to their loved ones or in remembrance of them. The poems have been written from the heart and are sent into the world from the heart in the hope that they will offer a degree of comfort and hope to those who are experiencing one of the most difficult emotions ever: grief. The poems are new, and it is a privilege to share them with you.
