

Men On Strike

James Cocke Southall

Men On Strike:

Men on Strike Helen Smith,2013 Smith explores an American society that has become anti male Sensing the backlash men are consciously and unconsciously going on strike dropping out of college leaving work and avoiding marriage and fatherhood But they are also starting to fight back against the backlash

Summary of Helen Smith's Men on Strike

Milkyway Media,2022-02-09 Buy now to get the main key ideas from Helen Smith s Men on Strike Where did all the decent men go is a question you hear everywhere But it s the wrong question to ask The better question is Why did all the decent men go on strike In Men on Strike 2013 Helen Smith offers an answer Smith asserts that there is a real war on men in modern culture The majority of men might not discuss it or even believe that a democratic country would judge them without due process or accountability Yet in today s anti male society this is happening to most males As a result men have opted out going on strike rather than having to face a ruthless attack on their gender Smith details the legal educational and cultural war on men and suggests how society can remedy it warning that if we don t our culture will be forever changed

Why Men Strike Samuel L. Crowther,1921 **Why Men Strike** Samuel Crowther,2014-03-30 This Is A New Release Of The Original 1920 Edition

Why Men Strike Samuel Crowther,2015-06-16 Excerpt from Why Men Strike In an earlier stage of our development men struck for money or hours or to gain improvement in some other essential detail in connection with employment Now they are more and more striking against what they think is capital really they are striking against work Most of the panaceas offered to prevent strikes start with the assumption that there must be a dispute of some kind between the employer and employee else there could not be a strike This to the writer seems a class with treating smallpox as a skin disease The men are however they may express themselves and commonly they are inarticulate as to their real emotions striking against what they think is an unjust system of society They have been led into the thought that they labour for others and not for themselves and that society is somehow divided into those who own and those who work and that the former have all the fun in life This doctrine is not widespread but its influence is for a considerable number of people are vociferously and by profession of the proletariat About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
