**Nancy Drew Starter Set** Carolyn Keene, 2007-09 Teenage detective Nancy Drew uses her courage and powers of deduction to solve six classic mysteries      **Nancy Drew Starter Set for Canada** Carolyn Keene, 2002-04-01      The Education of His Royal Highness Marissa R. Conklin, 2024-10-17 A brand new king and a volunteer schoolteacher's lives collide and neither will ever be the same Will they rise to the challenges before them and come out stronger or will they both crumble under the weight of their mutual responsibility And who can they really trust One thing is for sure they are both in for quite the ride She listened intently Her expression didn't change She didn't seem repulsed by me so I decided to test out my fear I reached out putting my hand to her face She didn't flinch or shrink back she didn't act like I was disgusting or a sniveling weakling In fact she put her hand over mine against her face as she spoke I think that's a lot for one person to carry Could you could we would you be willing to see if Christine is available I can go with you for moral support But this secret it's eating you alive And if you talk to someone who is trained to not only listen but help you process and work through all these complex emotions and traumas you will feel a lot freer Would you be willing to do that Fear gripped me so tight I couldn't move my tongue I couldn't move Part of me yearned for freedom Another part the one rooting me to my chair and rendering me silent reminded me in Henry's mocking voice that no one would think of me the same That I had too much to lose But I found myself nodding causing Caroline to give me a radiant smile Her warmth thawed a little of my fear but it was still there under the surface She went to the panel and did the intercom for Christine I secretly hoped she was asleep It was very early after all But I heard her somewhat grouchy voice tell Caroline that she'd see us in a couple minutes Too late to back out now God how different this morning was shaping up to be than I'd originally expected Instead of a fun easy movie date morning I was about to spill my guts to Christine with Caroline present A worse way to spend a morning I cannot imagine      *Lola and the Boy Next Door* Stephanie Perkins, 2014-06-01 Budding designer Lola Nolan doesn't believe in fashion she believes in costume The more expressive the outfit the more sparkly more wild the better And life is pretty close to perfect for Lola especially with her hot rocker boyfriend That is until the Bell twins Calliope and Cricket return to the neighbourhood and unearth a past of hurt that Lola thought was long buried So when talented inventor Cricket steps out from his twin sister's shadow and back into Lola's life she must finally face up to a lifetime of feelings for the boy next door Could the boy from Lola's past be the love of her future      Subject Guide to Children's Books In Print, 1989-1990 R R Bowker Publishing, 1989-10      Transforming Early Learners into Superb Readers Andrea M.
