**Case Studies in Child and Adolescent Counseling** Larry B. Golden, 2002. This award-winning book presents a realistic picture of therapy's rewards and challenges through sixteen actual cases involving children and adolescents. Readers are exposed to a variety of counseling theories and the real live counselors who use them. The cases deal with major problem areas such as sexual abuse, dual diagnoses, seriously dysfunctional families, and addictions. A five-part organization of each case covers an introduction that discusses the presenting problem and background information about the client; conceptualization of therapeutic goals and strategies; process descriptions of actual client contacts; it explains what happened in sessions and how the therapist's relationship with the client changed over time; outcome sections describing the result of the work done between therapist and client; and discussion explanations of what the author/therapist might have done differently. In addition, the author describes his or her personal and professional growth that resulted from this encounter with a troubled youngster. For child and adolescent counselors beginning their journey as therapists.

**Child-Centered Play Therapy** Risë VanFleet, Andrea E. Sywulak, Cynthia Caparosa Sniscak, 2010-09-27. Rich with clinical wisdom, this accessible guide is invaluable reading for play art and expressive therapists, child psychologists, social workers, counselors, family therapists, and child psychiatrists. It is a highly informative supplemental text for clinically oriented graduate-level courses.

Book Jacket **American Journal of Play**, 2008 **School-Based Play Therapy** Athena A. Drewes, Lois J. Carey, Charles E. Schaefer, 2001-06-18. An essential guide that focuses on play therapy in schools. This landmark reference presents an A to Z guide for using play therapy in preschool and elementary school settings to help children prevent or resolve psychosocial difficulties. Coedited by three experts in the field, *School-Based Play Therapy* offers school counselors, psychologists, teachers, and social workers the latest techniques to help them develop their own creative approaches to utilizing the therapeutic powers of play. Beginning with an overview that addresses multicultural concerns, a description of play instruments and observational techniques, this practice-oriented book explains how to implement play therapy in schools with solid advice on gaining acceptance from other staff members and administration. Covering both individual and group play therapy, it clearly describes proven approaches such as child-centered play therapy, Theraplay, sandplay, and art exercises. The thorough treatment of the subject combined with the contributors' incomparable expertise makes this an essential volume for all mental health professionals working in schools. Describes play therapy approaches for special populations such as sexually abused children, ADD/ADHD children, children of divorce, and others. Includes innovative play therapy programs and tools. Outlines how to construct
