Master Your Mind Roger Seip, Robb Zbierski, 2023-10-24 You ll get there faster if you just slow down Master Your Mind offers a bit of perspective and a lot of insight for anyone seeking long term success Success in business is spelled M O R E better results faster growth more revenue greater efficiency Do more Make more Achieve more And do it now Eventually ambition turns to stress then to frenzy then to emptiness as once ambitious workers endlessly trudge the hamster wheel chasing the next promotion While top level performance is the holy grail of business at all levels there is another much better way to achieve it slow down Yes you read that right S L O W This is your permission to jump off of the hamster wheel Slowing down is not a luxury it is a necessity A frenetic brain simply doesn t perform at optimal levels By maintaining a snail s pace you actually achieve better results at rocket speed because you re firing on all cylinders You ll think of new things approach old problems from new perspectives and breathe a breath of fresh air into everything you do This book shows you how to achieve this state of steady sustainable fire and how to get further by crawling than you ever did while attempting to fly Learn how slowing down can lead to better faster results Achieve optimal performance thought patterns Enhance your creativity and effectiveness Build energy revenue and good health in a self sustaining way You know you re capable of more but the stress is eating away at your body your brain and your soul Relax take a deep breath and buckle down Clear your mind and then put it to work Stop juggling and start doing Master Your Mind shows you how to supercharge your trajectory by taking it S L O W *The Social Economist* , 1895 *Management* Louis E. Boone, David L. Kurtz, 1987 The Persistent Passion for Excellence KIND N. LOVING (JR.), 2020-10-20 This book gives advice on how to wisely use our time on earth I view it as a sort of prescription for life and as a physician surgeon who has written numerous prescriptions each day for over thirty years I feel I have something good to share This book is unique in format because while some of the articles are essays others tend to outline instructions with explanations This book is simple and clear yet the lessons are important to learn and follow It gives specific examples on how to apply these important principles in our daily activities This book is a collection of my writings over the past ten years Gunton's Magazine George Gunton, 1895 **Lifelong Learning** , 1986 *From These Roots* Jeff Deel, 2024-02-20 Part memoir part inspirational Jeff Deel s *From These Roots* tells of his sometimes mischievous childhood as the son of a holiness preacher and the change of heart and events that led him as an adult to work

alongside his brother ministering to the lost and forgotten people of Atlanta's inner city Through Jeff's stories from his own past along with those of the countless transformations he has witnessed at City of Refuge readers will see how being a follower can be just as important as being a leader Jeff Deel has lived in the shadow of his older brother Bruce for his entire life He wouldn't have had it any other way While being the sons of a holiness preacher they still found ways to get into their fair share of mischief with older brother Bruce taking on the role of leader for better or worse Yet Jeff never questioned his place as his brother's follower and supporter for better or worse Then came adulthood and Jeff's turbulent search to find himself Through a series of failed occupations and the desire to avoid ministry at all costs Jeff was predictably led right back to his brother's side This time instead of finding mischief Jeff and Bruce worked together building the City of Refuge in Atlanta Through their work COR has welcomed thousands upon thousands of individuals who have found themselves in dire straits whether as victims of abuse and sex trafficking or as people whose own choices have thrust them to rock bottom Jeff and Bruce have found their experience watching their parents minister to the least of these and teaching them what it means to offer a person dignity love and hope prepared them more than they ever could have realized *Gunton's Magazine of American Economics and Political Science*, 1895 **Venture**, 1985-07 **Chopard - the passion for excellence** Salomé Broussky, 2010 **The Passion of the Ruby Cat 'On Life'** Maril Ozanne Garrison, 2022-07-11 Poetry is powerful and necessary Blake has said In sum the poet is someone that humans cannot do without Poetry is beauty practicality grace structure gentleness and power that gives us peace simplicity and wisdom Poetry does nothing to earn its keep no more than a singing bird Yet it defines our roles levels our road empowers our spirits and fills our hearts with courage Mrs Garrison has loved taught and defined poetry over the years as she has studied and read many of the former poets soaking up their styles and commenting on their writing Poetry is like music without music Easy to memorize and easy to write if you pay attention to the masters especially Poe Poetry is a short condensed mode of writing it can be beautiful loud soft invigorating soul filled and vibrant RUBY CAT The Passion of the Ruby Cat is a collection of poems rubaiyat on life plus a collection of quatrains and haikus It is the third poetry book after the first two THE PASSION OF POETRY and PASSION LAUGHS OUTLOUD that are all general poetry There is a glossary in the end of each of these books giving definitions of not often used words to help the reader quickly enjoy every whimsical glance and nod *Management Today*, 1986 **Flowers &**, 1985 **The New Thing**, 1998 **Dance Administration** Council of Dance Administrators, 1985 **Mind**, 1885 A quarterly review of philosophy **Get Your Best Life in 108 Days** Vihang Kathe, 2021-10-18 About the Book What you will learn action What is the Best Approach to a Fitness plan What are the top Superfoods you should consume What herbs should you include in your daily life Ways to improve your mental health How to improve your SQ Spiritual Quotient 10 important blocks of Life coaching How to create a KPI index for Life How to control your Mind What are the important Life skills you need How can you improve your Happiness Index What are the learnings from History Get a problem solving framework Get a Sales
