Pastor as Counselor Dr. John Patton,2015-10-06 This very practical book offers no nonsense instructions for pastors chaplains and ministers whose real specialty is the practice of relational wisdom Patton provides a helpful step by step template for pastoral counseling sessions and clear guidelines for understanding when to defer and how to refer all while remaining faithful to the basic pastoral calling to connect persons seeking help with the relationships and resources they need to deal with their lives In a society of specialists John Patton s Pastor as Counselor is a bold reminder of the healing potential of care full attending to lost and separated persons through the unique relational wisdom of the generalist pastor This is vintage Patton written with gentle wisdom and generous counsel summarizing decades of practicing and teaching pastoral counseling Herbert Anderson Emeritus Professor of Pastoral Theology Catholic Theological Union Chicago IL and Faculty in Practical Theology Graduate Theological Union Berkeley CA John Patton wrote this how to book for ministers without specialized training in mental health issues Ministers are good at developing and deepening human relationships and that is exactly what they need in order to become skilled short term pastoral counselors Concrete down to

earth and quintessentially practical this is a book that should be on the syllabus of every seminary's introduction to pastoral care and counseling. It is the fruit of a lifetime of reflection and embodied relational wisdom at its best. Deborah van Deusen Hunsinger, Charlotte W. Newcombe Professor of Pastoral Theology, Princeton Theological Seminary, Princeton, NJ. When it comes to counseling, our first port of call is often the mental health professions. In this book, John Patton carefully draws out what is special about pastoral counseling. With theological depth and wise practical utility, he offers a clear guide for pastoral counselors as to what it is that gives them their identity and what that looks like in practice. This is a wise and deeply practical book that will inevitably be transformative. John Swinton, Chair in Divinity and Religious Studies, School of Divinity History and Philosophy, University of Aberdeen, Aberdeen, UK. John Patton has acquired unparalleled wisdom over decades of providing supervising, teaching, and writing about pastoral care. This most gifted and deeply reflective thinker has crafted a primer that will become a classic, spelling out what is central for those new to the vocation, reminding the more seasoned of what really matters. Chris R. Schlauch, Associate Professor of Pastoral Psychology and Psychology of Religion, Boston University School of Theology, Boston, MA. Patton's book nicely parallels what he asks pastors to do in counseling others. Through a well-developed structure, he offers wise presence, spiritual conversation, and relational wisdom. His book would be a valuable resource in an advanced pastoral care course in a theological school. Similarly, a peer group of pastors would benefit from collective engagement with insights it provides as they assess their pastoral counseling relationships. Kenneth J. McFayden, Union Presbyterian Seminary, Richmond, VA. *Interpretation: A Journal of Bible and Theology* 71.4 (A Guide to Pastoral Care). R. E. White, 1987-03-01.

Pastoral Care in Context John Patton, 2005-01-01. An expert in the field of pastoral care, John Patton demonstrates that pastoral care is a ministry of the church. He focuses on the community of faith as an authorizer and source of care and upon the relationship between the pastor and a caring community. Patton identifies and compares three paradigms of pastoral care: the classical, the clinical, and the communal contextual. This third paradigm emphasizes the caring community and the various contexts for care rather than focusing on pastoral care as the work of the ordained pastor.

are Neither does radical hospitality require that we water down our commitment because faithfulness and openness are not contradictory We must be able to say with burning passion that we are open to the claims of other faiths because we are faithful to our religious heritage The essays in this book do not offer simply theological exhortations they offer specific ways of how we can become religiously competent citizens in a multifaith world Let s take the bold steps of radical openness with this book on our side

way to enter into the world of vulnerable children in order to provide pastoral counseling to them. This approach helps pastoral counselors to use life stories, proverbs, biblical narratives, plays, arts, songs, riddles, poems, symbols, and images as healing and coping mechanisms for OVC. Therefore, this book is helpful not only to churches and their ministry to orphans and vulnerable children but also to those who care for orphans in their homes. Moreover, it will be helpful to children who live in adverse conditions worldwide to find ways to cope with their situations through the stories of children used inside this book.

Effective Pastoral Care - a Guide for Pastors and Churches Bruce R. Edwards, 2025-05-10. This book is the third in a trilogy on ministry. The first book, *Effective Pastoral Ministry*, focused on the principles and practices of ministry. The second, *Effective Preaching*, centered on the art of proclaiming God's Word. But this book is different. Here I want to talk with you about the side of ministry that doesn't always get the spotlight but is essential: caring for people like a shepherd cares for his sheep. Pastoral care is not an optional part of ministry. It is the heartbeat of shepherding. Jesus declared, "I am the good shepherd." The good shepherd lays down his life for the sheep. John 10:11. If we as pastors and church leaders do not learn to care for people in real and practical ways, we risk missing the very essence of our calling. In this book, you will learn how to effectively provide pastoral care for the children and youth in your church, your senior adults and single adults. We will share how to have an effective guest services ministry and how to care for new members. We will talk about how to officiate weddings and funerals and how to care for those with special needs.
